- b) Shares held as stock-in-trade (Income from transfer of such shares taxable under the head “Profits and Gains from Business or Profession”)

4. **Taxability of Capital Gains in hand of shareholders**

- a) Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, unless specifically exempted, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in trade).
- b) As per the current provisions of the IT Act, where the shares are held as investments (i.e. Capital assets), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Further, Section 2(14) of the IT Act has provided for deemed characterization of securities held by FPIs as capital assets, whether or not such assets have been held as a capital asset; and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.
- c) Capital Gains in the hands of shareholders would be computed as per the provisions of Section 48 of the IT Act.
- d) Period of holding: Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain/ STCG” or “long-term capital gain/ LTCG”: (i) In respect of equity shares held for a period less than or equal to 12 (Twelve) months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “STCG”. (ii) Similarly, where equity shares are held for a period more than 12 (Twelve) months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “LTCG”.
- e) The Finance Act, 2018, vide Section 112A, has imposed an income tax on LTCG at the rate of 10% (plus applicable surcharge and health and education cess) on transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than 12 (Twelve) months and have been subject to STT upon both acquisition and sale exceeding Rs. 1,00,000 (Rupees One lakh only).
- f) If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and they do not fall within the exceptions identified under Notification No. 60/2018 dated

October 01, 2018, then the entire LTCG arising to the shareholder shall be subject to tax @ 10% (plus applicable surcharge and cess) under Section 112 of the IT Act or 20% (plus applicable surcharge and cess) after claiming indexation benefit which is relevant in case of resident shareholders.

- g) As per section 111A of the IT Act, STCG arising from transfer of listed shares on which STT is paid would be subject to tax at the rate of 15% (plus applicable surcharge and health and education cess).
- h) As per the seventh proviso to Section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains
- i) LTCG arising from tendering of Equity Shares in the Offer shall be subject to tax as follows:
 - i. LTCG will be chargeable to tax at the rate of up to 20% (plus applicable surcharge and health and education cess) in the case of a non-resident Public Shareholder (other than a FPI/FII, or a NRI who is governed by the provisions of Chapter XII-A of the IT Act) in accordance with provisions of section 112 of the IT Act.
 - ii. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) in accordance with provisions of section 115AD of the IT Act (without benefit of indexation and foreign exchange fluctuation).
 - iii. For a NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) under Section 115E of the IT Act on meeting certain conditions. While computing the LTCG, the benefit of indexation of cost may not be available.
 - iv. For a resident Public Shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and health and education cess) without indexation.
- j) Further, any gain realized on the sale of equity shares held for a period of 12 (twelve) months or less, which are transferred under the Offer, will be subject to short term capital gains tax and shall be taxable at the rates prescribed in First Schedule to the Finance Act (i.e. applicable marginal tax rates applicable to different categories of persons) (plus applicable surcharge and health and education cess).
- k) Taxability of capital gain arising to a non-resident in India from the transfer of equity shares shall be determined basis the provisions of the IT Act or the DTAA entered between India and the country of which the non-resident seller is resident, whichever is more beneficial, subject to fulfilling relevant conditions and maintaining & providing necessary documents prescribed under the IT Act, as discussed in para 1(d) above.
- l) As per Section 70 of the IT Act, short-term capital loss computed for a given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years,

for being set-off against subsequent years' STCG as well as LTCG, in terms of Section 74 of the IT Act.

- m) Long-term capital loss computed for a given year is allowed to be set-off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance 54 loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.

5. Other Matters

- Minimum alternate tax ("MAT") implications as per Section 115JB of the IT Act will get triggered in the hands of a resident corporate shareholder (other than resident company which has opted for concessional tax regime under Section 115BAA or Section 115BAB of the IT Act). Foreign companies will not be subject to MAT if the country of residence of such of the foreign country has entered into a DTAA with India and such foreign company does not have a permanent establishment in India in terms of the DTAA. In case where the said conditions are not satisfied, MAT will be applicable to the foreign company. In case of non-corporate shareholders, applicability of the provisions of Alternative Minimum Tax as per Section 115JC of the IT Act will also need to be analyzed depending on the facts of each case.
- Submission of PAN and other details –
All Public Shareholders are required to submit their PAN along with self-attested copy of the PAN card for income-tax purposes. In absence of PAN for non-resident Public Shareholders, as per Notification No. 53/2016, F.No.370 142/16/2016-TPL, they shall furnish self-attested copy of documents containing the following details ("PAN Substitute Information"):
 - Name, email id, contact number;
 - Address in the country of residence;
 - Tax Residency Certificate ("TRC") from the government of the country of residence, if the law of such country provides for issuance of such certificate; and
 - Tax identification number in the country of residence, and in case no such number is available, then a unique number on the basis of which such non-resident is identified by the government of the country of which he claims to be a resident.

6. Tax Deducted at Source

Resident shareholders: As of the date of filing of this document, in the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirers are not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer. With effect from July 01 2021, Finance Act 2021 creates an obligation on the buyer of goods to withhold tax under Section 194Q at the rate of 0.1% when buying goods from an Indian resident. The withholding obligation only exists where

the consideration for goods exceeds INR 50,00,000 and the buyer had a business turnover of more than INR 10,00,00,000 in the immediately preceding year. The term “goods” has not been defined and may cover shares.

As per Circular No. 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 194Q is not applicable where the transactions in securities and commodities are traded through recognized stock exchange. Therefore, the Acquirers are not required to withhold tax under Section 194Q on consideration payable to resident shareholders. The resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

Non-resident shareholders (FIIs): Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

Non-resident FIIs shareholders (other than FIIs):

Section 195(1) of the IT Act provides that any person responsible for paying to a nonresident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force. However, the Acquirers will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirers to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirers to the nonresident shareholders. Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes and the Acquirers believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians/ authorized dealers/ non-resident shareholders – with no recourse to the Acquirer. It is therefore recommended that the non-resident shareholders consult their custodians/ authorized dealers/ tax advisors appropriately. In the event the Acquirers are held liable for the tax liability of the shareholder, the same shall be to the account of the nonresident shareholder and to that extent the Acquirers should be indemnified. The non-resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirers, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

7. Remittance/Payment of Interest

- In case of interest, if any, paid by the Acquirers to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST)

Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirers depending on the settlement mechanism for such interest payments. In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of acceptance or such additional documents as may be called for by the Acquirers.

- It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income). In the event the Acquirers are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirers should be indemnified. The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer.
- The shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8. Rate of Surcharge and Cess In addition to the basic tax rate, applicable Surcharge, Health and Education Cess are currently leviable as under: 1

- Surcharge @ 12% is leviable where the total income exceeds INR 10 crore and @ 7% where the total income exceeds INR 1 crore but less than INR 10 crores.

- Surcharge at the rate of 25% is leviable where the total income exceeds INR 2 crore but does not exceed INR 5 crore.
- Surcharge at the rate of 37% is leviable where the total income exceeds INR 5 crore.
- However, for the purpose of income chargeable under section 111A, 112A and 115AD(1)(b) (for income chargeable to tax under the head capital gains), the surcharge rate shall not exceed 15%.

In case of Firm and Local Authority:

- Surcharge @12% is leviable where the total income exceeds Rs. 1 crore.
- b) **Cess** – Health and Education Cess @ 4% is currently leviable in all cases.
- c) **Others**
- Notwithstanding the details provided above, all payments will be made to the shareholders subject to compliance with prevailing tax laws.
 - The tax deducted by the Acquirers while making payment to a shareholder may not be the final tax liability of such shareholder and shall in no way discharge the obligation of the shareholder to appropriately disclose the amounts received by it, pursuant to this Open Offer, before the income-tax authorities.
 - The Acquirers will deduct tax (if required) as per the information provided and representation made by the shareholders. In the event of any income-tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided/to be provided by the shareholder, such shareholder will be responsible to pay such income-tax demand under the IT Act and provide the Acquirers with all information/documents that may be necessary and co-operate in any proceedings before income tax/ appellate authority in India. The Acquirers and the Manager to the Open Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth herein above.
