- **8.14.** Non-receipt of this Letter of Offer by, or accidental omission to dispatch this Letter of Offer to any shareholder, shall not invalidate the Offer in any way.
- 8.15. The acceptance of the Offer made by the Acquirer is entirely at the discretion of the Shareholders of the Target Company. The Acquirer does not accept any responsibility for the decision of any Shareholder to either participate or to not participate in the Offer. The Acquirer

will not be responsible in any manner for any loss of share certificate(s) and other documents during transit and the Shareholders are advised to adequately safeguard their interest in this regard.

8.16. Acceptance of Equity Shares

Registrar to the Offer shall provide details of order acceptance to Clearing Corporation within specified timelines. In the event that the number of Equity Shares (including demat Equity Shares, physical Equity Shares and locked-in Equity Shares) validly tendered by the Shareholders under this Offer is more than the number of Offer Shares, the Acquirer shall accept those Equity Shares validly tendered by the Shareholders on a proportionate basis in consultation with the Manager, taking care to ensure that the basis of acceptance is decided in a fair and equitable manner and does not result in non-marketable lots, provided that acquisition of Equity Shares from a Shareholder shall not be less than the minimum marketable lot.

8.17. Settlement Process

On closure of the Offer, reconciliation for acceptances shall be conducted by the Manager to the Offer and the Registrar to the Offer and the final list shall be provided to the Stock Exchange to facilitate settlement on the basis of Shares transferred to the Clearing Corporation. The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market. Selling Brokers should use the settlement number to be provided by the Clearing Corporation to transfer the shares in favour of Clearing Corporation. The shares shall be directly credited to the pool account of the Buying Broker. For the same, the existing facility of client direct pay-out in the capital market segment shall be available. Once the basis of acceptance is finalised, the Clearing Corporation would facilitate clearing and settlement of trades by transferring the required number of shares to the pool account of the Buying Broker. In case of partial or non-acceptance of orders or excess pay-in, demat Shares shall be released to the securities pool account of the Selling Broker / custodian, post which, the Selling Broker would then issue contract note for the shares accepted and return the balance shares to the Shareholders. Any excess physical Equity Shares, to the extent tendered but not accepted, will be returned to the Shareholder(s) directly by Registrar to the Offer.

8.18. Settlement of Funds / Payment Consideration

The settlement of fund obligation for demat and physical Equity Shares shall be effected through existing settlement accounts of Selling Broker. The payment will be made to the Buying Broker for settlement. For Equity Shares accepted under the Open Offer, the Selling Broker / Custodian Participant will receive funds payout in their settlement bank account. The Selling Brokers / Custodian participants would pay the consideration to their respective clients. The funds received from Buying Broker by the Clearing Corporation will be released to the Selling Broker(s) as per secondary market pay-out mechanism. Shareholders who intend to participate in the Offer should consult their respective Selling Broker for payment to them of any cost, charges and expenses (including brokerage) that may be levied by the Selling Broker upon the

selling Shareholders for tendering Equity Shares in the Offer (secondary market transaction). The consideration received by the selling Shareholders from their respective Selling Broker, in respect of accepted Equity Shares, could be net of such costs, charges and expenses (including brokerage) and the Acquirer accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the selling Shareholder. In case of delay in receipt of any statutory approval(s), SEBI has the power to grant extension of time to Acquirer for payment of consideration to the shareholders of the Target Company who have accepted the Open Offer within such period, subject to Acquirer agreeing to pay interest for the delayed period if directed by SEBI in terms of Regulation 18 (11) of the SEBI (SAST) Regulations, 2011.
