## NOTICE TO OVERSEAS SHAREHOLDERS

The distribution of the Letter of Offer and the issue of our Rights Issue Equity Shares on a rights basis to persons in certain jurisdictions outside India may be restricted by legal requirements prevailing in those jurisdictions. Persons into whose possession the Letter of Offer may come are required to inform themselves about and observe such restrictions. Our Company is making this Issue of Rights Issue Equity Shares on a rights basis to its Rights Equity Shareholders, and will dispatch the Letter of Offer, the Offering Memorandum and CAF to overseas shareholders who have an Indian address and QIBs who have provided to our Company (and from whom our Company has accepted) a duly executed Investor Representation Letter. Those overseas shareholders who do not update our records with their Indian address or the address of their duly authorized representative in India, prior to the date on which we propose to dispatch the Letter of Offer, the Offering Memorandum and the CAF, shall not be sent the Letter of Offer, the Offering Memorandum and the CAF.

No action has been or will be taken to permit the Issue in any jurisdiction where action would be required for that purpose, except that the Letter of Offer has been filed with the SEBI for observations. Accordingly, the Rights Issue Equity Shares may not be offered or sold, directly or indirectly, and the Letter of Offer may not be distributed, in any jurisdiction, except in accordance with legal requirements applicable in such jurisdiction. Receipt of the Letter of Offer will not constitute an offer in those jurisdictions in which it would be illegal to make such an offer and, in those circumstances, the Letter of Offer must be treated as sent for information only and should not be copied or redistributed. Accordingly, persons receiving a copy of the Letter of Offer should not, in connection with the issue of the Rights Issue Equity Shares or the Rights Entitlements, distribute or send the Letter of Offer in or into the United States or any other jurisdiction where to do so would or might contravene local securities laws or regulations. A shareholder shall not renounce his entitlement to any person resident in the United States or any other jurisdiction where to do so would or might contravene local securities laws or regulations.

Neither the delivery of the Letter of Offer nor any sale hereunder, shall under any circumstances create any implication that there has been no change in our Company's affairs from the date hereof or that the information contained herein is correct as at any time subsequent to the date of the Letter of Offer.

**The contents of the Letter of Offer and the Offering Memorandum should not be construed as legal, tax or investment advice. Prospective investors may be subject to adverse foreign, state or local tax or legal consequences as a result of the offer of Rights Entitlements or Rights Issue Equity Shares. As a result, each investor should consult its own counsel, business advisor and tax advisor as to the legal, business, tax and related matters concerning the offer of Rights Entitlements or Rights Issue Equity Shares. In addition, neither our Company nor any Lead Manager is making any representation to any offeree or purchaser of the Rights Entitlements or Rights Issue Equity Shares regarding the legality of an investment in the Rights Entitlements or Rights Issue Equity Shares by such offeree or purchaser under any applicable laws or regulations.**

## **CURRENCY OF FINANCIAL PRESENTATION**

In this Letter of Offer, unless the context otherwise requires, all references to the word “lakh” or “lac” means “one hundred thousand”, the word “ten lakh” means “one million”, the word “crore” means “ten million”, the word “billion” means “one thousand million” and the word “trillion” means one thousand billion”. In this Letter of Offer, any discrepancies in any table between the total and the sum of the amounts listed may be due to rounding off.

Throughout this Letter of Offer, all the figures have been expressed in Rupees in Lakh, except when stated otherwise. All reference to “Rupees” and “Rs.” in this Letter of Offer are to the legal currency of India.

Unless stated otherwise, the financial information given in this Letter of Offer is derived from the audited financial statements as for the financial year ended March 31, 2012 and March 31, 2011 approved by the Board of Directors at their meeting held on May 30, 2012 and May 27, 2011 respectively subjected to limited review conducted by the Statutory Auditors, M/s B K Kapur & Company, Chartered Accountants in accordance with Indian GAAP and the Companies Act, 1956. Financial Statements for the financial year ended on March 31, 2011 are approved by the shareholders in the Annual General Meeting held on August 11, 2011.

For additional definitions used in this Letter of Offer, see the section Definitions and Abbreviations on page 1 of this Letter of Offer. In the section entitled “Main Provisions of Articles of Association”, defined terms have the meaning given to such terms in the Articles of Association of our Company.

## **USE OF MARKET DATA**

Unless stated otherwise, market data used throughout this Letter of Offer has been obtained from industry publications and Government sources. Industry publication and other website data generally state that the information contained therein has been obtained from sources believed to be reliable, but that their accuracy and completeness and underlying assumptions are not guaranteed and their reliability cannot be assured.

Although, we believe market data used in this Letter of Offer is reliable, it has not been independently verified. Similarly, internal Company reports and data, while believed by us to be reliable, have not been verified by any independent source.

## FORWARD LOOKING STATEMENTS

We have included statements in this Letter of Offer which contain words or phrases such as “will”, “may”, “aim”, “is likely to result”, “believe”, “expect”, “continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “pursue” and similar expressions or variations of such expressions, that are “forward looking statements”.

All forward looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to:

- Pricing and availability of sugarcane;
- Volatility in the sale price of sugar and by-products;
- General economic conditions;
- Changes in political and social conditions in India;
- The outcome of legal or regulatory proceedings that we are or might become involved in;
- Contingent liabilities, environmental problems and uninsured losses;
- Developments affecting the Indian economy;
- Uncertainty in global financial markets.
- Natural Calamities

For a further discussion of factors that could cause our actual results to differ, please refer to the sections titled “Risk Factors” of this Letter of Offer. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Neither us nor the Lead Managers nor any of their respective affiliates or advisors have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with SEBI and Stock Exchanges requirements, we and Lead Managers shall ensure that investors in India are informed of material developments until the time of the grant of listing and trading permission by the Stock Exchanges.

## RISK FACTORS

Any investment in Equity Shares involves a high degree of risk and so you should carefully consider all of the information in this Letter of Offer including the risks and uncertainties described below before you make an investment decision. Risks have been quantified, wherever possible. If any of the following risks actually occur, our business, financial condition and results of operations could suffer, the trading price of our Equity Shares could decline and you may lose all or part of your investment. The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are risks where the effect is not quantifiable and hence has not been disclosed in the applicable risk factors. We have numbered the risk factors to facilitate ease of reading and reference, and such numbering should not indicate the importance, relative or otherwise, of any risk factor over another.

Investors are advised to read the risk factors described below carefully before making an investment decision in this offering. In making an investment decision, prospective investors must rely on their own examination of our business and operations and the terms of the Issue, including the merits and risks involved. This Letter of Offer also contains forward-looking statements that involve risks and uncertainties. Our actual results could differ from those anticipated in these forward-looking statements as a result of certain factors, including considerations described below and under “Forward Looking Statements” on Page No. 7.

### Materiality

The Risk factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality:

- (a) Some events may not be material individually but may be found material collectively.
- (b) Some events may have material impact qualitatively instead of quantitatively.
- (c) Some events may not be material at present but may be having material impacts in future.

Note: We have tried to quantify the risks to the extent possible. However there are many of the risk factors described herein below we are not in a position to quantify the financial or other implications and hence no such disclosure has been made in those Risk Factors.

### INTERNAL RISK FACTORS

1. *There are outstanding litigations involving our Company. We cannot assure you that we will be successful in all of these actions. In the event we are unsuccessful in litigating any or all of the disputes described below, our business and results of operations may be adversely affected.*

Summary of material litigations outstanding involving our Company:

<i>Nature of Litigations</i>	<i>Total No. of Cases</i>	<i>No. of cases where amount is ascertainable</i>	<i>Extent of Liability/Claim*</i>	<i>No. of cases where amount is uncertainable</i>
Criminal	12	1	Rs. 7.90 Lacs	11
FIR	8	-	-	8
Civil	28	5	Rs. 36.38 Lacs	23
Labour Laws	1	1	Rs. 4.34 Lacs	-
Government / Tax Authorities Notices / Proceedings and Appeals	44	42	Rs. 2324.44 Lacs	2
<b>Total</b>	<b>93</b>	<b>49</b>	<b>Rs. 2373.06 Lacs</b>	<b>44</b>

\*the amount mentioned are only to the extent ascertainable. There are other liabilities/claims under these litigations which are not ascertainable/ quantifiable.

Our Company has not made any financial provisions in respect of the outstanding litigations. Any adverse outcomes of any Criminal Cases against our Company, its Promoters, Directors or other managerial persons could adversely affect our business reputation and may also affect the operations of our business. For further details, please refer to the section titled ‘Outstanding Litigations and Material Developments’ on page 123 of this Letter of Offer.

2. ***There is an overdue amount of Rs. 656.68 Lakhs towards payment of installment of soft loan to Uttarakhand State Government and for such default, the Uttarakhand State Government can recover the loan amount by disposal of the mortgaged assets of the first party either by sale or by public auction.***

Our Company has availed the entire sanctioned amount of loan aggregating Rs. 656.68 lakhs from Uttarakhand State Government. The loan was repayable in 3 years with an initial moratorium period of three years from the date of sanction i.e. starting from January 2008. In view of lower sugar price realization and high cane prices, we could not pay the installment of loan which became due with effect from January 2011. ***The non-payment of the loan amount to the Uttarakhand State Government would be considered as default and in terms of the loan agreement, the Uttarakhand State Government can attach the property of the Company for the realization of the loan amount.***

We have requested the Uttarakhand State Government to extend the re-payment period. So far we have not received any confirmation from the Uttarakhand State Government. Further, the State Government has not levied any penalty for delay in re-payment till date.

3. ***There have been some delays in payment to Banks in the financial year ended March 31, 2011 and March 31, 2012.***

There were some delays in payment of dues to certain Banks in the financial year ended March 31, 2011 and March 31, 2012 as per the details of the delayed payments of installments and interest thereon given below:

(in Rs. Lakhs)

Particulars	Financial Year ended March 31, 2012	Financial Year ended March 31, 2011	Period of delay (in No. of Days)
	Amount including interest	Amount including interest	
Banks	5610.06	6462.77	1-30
	425.63	2362.17	31-60
<b>Total →</b>	<b>6035.69</b>	<b>8824.94</b>	

These delays were on account of lower sugar price realization and high inventory resulting in increased working capital requirements.

4. ***We have incurred significant losses in the recent past, which has resulted into default in the repayment of term loan.***

As per audited financial statement, we incurred a net loss of Rs. 1457.68 lakhs and Rs. 6959.66 lakhs for the year ended March 31, 2011 and March 31, 2012 respectively. The financial performance of the Company dipped due to then prevailing depressed sugar market which was on account of high production of sugar, steep fall in the selling prices and high cane prices. Company's accumulated losses stood at Rs. 7527.26 lakhs and Rs.14486.92 lakhs for year ended March 31, 2011 and March 31, 2012 respectively.

If we are unable to generate adequate revenues in the future, we may not be able to meet our debt repayment obligations and our lenders may initiate legal proceedings to recover any outstanding payments including proceedings for winding up.

In view of cash losses in the financial year 2006-07, 15 months period ended December 31, 2008, and 3 months period ended March 31, 2009 there has been defaults in repayment of term loan installments in time. We had approached our term lenders for a comprehensive re-structuring proposal on March 12, 2009. The lenders in the joint meeting held on March 18, 2009 referred our proposal to Corporate Debt Restructuring (CDR). The proposal was admitted by CDR EG (Empowered Group) at its meeting held on April 22, 2009 and on November 07, 2009, it approved the Debt Restructuring. Subsequently all Banks sanctioned the CDR package and the required documents were executed on March 04, 2010.

5. ***We have a Total Debt - Equity Ratio [Total Debt/Total Shareholders Fund] of 6.82 as on March 31<sup>st</sup>, 2012 which is higher than the Debt- Equity Ratio of other companies operating in the sugar industry***

We have undertaken major expansions of our sugar mills and increased capacity of co-generation power plants within the short span of 5 years. These have been funded through a mix of debt, equity and internal accruals. Consequent to this, our Total Debt to Equity Ratio (Total Debt divided by Total Shareholders Fund) as on March 31<sup>st</sup>, 2012 is 6.82 which is on the higher side. Our capacity to service the debt depends on our profitability. In case we are not able to

achieve the required growth, due to internal constraints or external factors like adverse developments in the industry, we may find it difficult to service the debt and this will have an impact on the return to the shareholders.

The Debt-Equity ratios of a few companies operating in the sugar industry are as under:

For the period ended	Name of the Company	Debt-Equity Ratio
March 31, 2012	Shree Renuka Sugars Limited	1.69
September 30, 2011	Bajaj Hindusthan Limited	1.71
March 31, 2012	Balrampur Chini Mills Limited	0.34

SEBI additional observations on updated Draft Letter of Offer	8 <sup>th</sup> December, 2010

Our Company received the Observation Letter of SEBI on the said Draft Letter of Offer on December 23, 2009. As per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, the issue should be opened within one year from the date of issuance of SEBI Observation Letter dated December 23, 2009. Accordingly the issue should be opened before December 22, 2010. ***However, due to adverse share price conditions during the relevant period, the Company was waiting for market sentiments to improve. When the period of one year from the date of Observation letter came closer and there was no change in the market price of the company equity shares, therefore, the Company submitted the updated draft letter of offer with SEBI on December 03, 2010 incorporating all the comments as given in the observation dated December 23, 2009 and accordingly, within 5 days the final observation letter was issued by SEBI on December 08, 2010.*** After finalization of Letter of Offer on December 08, 2010 at least 4

weeks time was required to complete the statutory compliances and other arrangements. Hence, due to lack of sufficient time the proposed Rights Issue could not materialize.

However, to meet the urgent financial requirements Preference Shares were issued and allotted to the promoter group entities.

**9. SEBI had in 2001 initiated proceeding and imposed penalty against Mr. Ranjan Adlakha (one of our Promoter) Mrs. Amita Adlakha - wife of Mr Raj Kumar Adlakha (one of the Promoter Director) and one of our Promoter Group Company namely New Castle Finance & Leasing Private Limited for violation of the Securities Laws**

Mr. Ranjan Adlakha was the acquirer of M/s Pariksha Fin-Invest-Lease Limited. Mr. Ranjan Adlakha along with PAC viz. Mrs. Amita Adlakha and New Castle Finance & Leasing Private Limited acquired substantial equity shares in the said Company by way of preferential allotment on 28.03.2000. The transaction was exempt from the Open Offer obligations as envisaged under regulations 10, 11 & 12 of the SEBI (SAST) Regulations, 1997 in terms of regulation 3(1)(c) of the said Regulations subject to compliance of Regulation 3(4) of the SEBI (SAST) Regulations, 1997 i.e. the Acquirer, Mr. Ranjan Adlakha was required to submit a report with SEBI within a period of 21 days. However, the said report was submitted to SEBI with a delay of 83 days. SEBI adjudicated the matter and imposed penalty of Rs.33,500/- on Mr. Ranjan Adlakha under section 15A(1) & 15I of Securities and Exchange Board of India, 1992 vide Order No. 82 dated 02.02.2001. The penalty was duly paid by Mr. Ranjan Adlakha.

**10. Our Company has in recent past issued & allotted 6.5% and 10% cumulative redeemable preference shares to Promoter Group. The payment of dividend to holders of such cumulative redeemable preference shares is likely to impact the cash flow of our Company. For details please refer to page no. 43 under the section titled "Capital Structure" in this Letter of Offer.**

**11. All of our sugar mills are located within Uttar Pradesh and Uttarakhand, where recovery rates are typically lower than the National Average and we may be unable to compete with other domestic sugar mills that achieve higher recovery rates.**

Our 3 sugar mills are located within the state of Uttar Pradesh and 1 sugar mill is located in the state of Uttarakhand, which have experienced sugar recovery rates below that of the national average. For the fiscal years 2009 and 2010, the national recovery rate was 10.03% and 10.19%, respectively, as compared with Uttar Pradesh's average recovery rate of 8.94% and 9.13% for the respective periods. Recovery rates have a direct impact on the sucrose we obtain and our overall sugar production.

**12. Availability of sugarcane for our sugar mills is predominantly dependent upon the cultivation of sugarcane within our reserved cane area. Any shortfall in cultivation of sugarcane in the cane areas by the farmers may adversely impact the raw material supply to our mills thereby adversely impacting our production and results of operation.**

We do not own any land for the cultivation of sugarcane and we purchase all of our sugarcane from farmers, directly or through farmers' cooperative societies. Under the State laws, we are bound by law to purchase sugarcane from farmers' cooperative societies in areas reserved and assigned to us by the Cane Commissioner, together referred to as "Cane Area". However, the farmers within our Cane Area have no obligation to cultivate sugarcane and may instead grow other more profitable crops. If the farmers within our Cane Area cultivate other crops, or otherwise limit their cultivation of sugarcane, we may have a shortage of raw material. Sugarcane grown within our Reserved Cane Area may be sold to manufacture of Gur & Khandsari and others instead of us. Any reduction in the supply of sugarcane may adversely affect our operations and financial condition.

**13. High cost of raw material and inability to pass it to the consumer may put a pressure on the profit margins.**

In our industry the rates of both the raw material as well as finished good is government regulated having major impact on our margins. Sugarcane costs constitute a major portion of our direct expenditure. As per the existing norms, we have to purchase sugarcane at State Advised Price (SAP). The UP State Government has increased the SAP from Rs. 165 per quintal in 2009-10 to Rs. 205 per quintal in 2010-11. Further the SAP for 2011-12 has been fixed at 250 per quintal. At the same time the quantity of sugar that can be sold in the market is regulated. As per the present regulatory framework, a sugar mill has to deliver 10% of the sugar production under "Levy Sugar" to the Government at a fixed price and deliver this sugar monthly under "Levy Quota" and sale the balance 90% of the sugar production in the open market under "General Market Quota" at market price. Further, sugar is subject to price fluctuations

resulting from adverse weather conditions, natural disasters, domestic and foreign trade policies, shifts in supply and demand and other factors beyond our control. Sugar is sold in the open market at market determined prices. Thus we have little control over the quantity or the price at which we can sell the sugar produced. As a result, any prolonged decrease in sugar prices could have a material adverse effect on our Company and our results of operations.

**14. *The sugar industry is highly regulated industry in India and any change in government and legal policies may adversely affect our business, results of operation and financial condition.***

Sugar is an essential commodity, and is included within the purview of the Essential Commodities Act, 1955. Consequently, sugar production, supply and distribution are regulated by the State and Central Government. The purchase price of sugarcane is regulated as the Central Government fixes the minimum price of sugarcane, termed the Statutory Minimum Price (SMP). Further, states can declare their own State Advised Price (SAP) higher than the SMP. Presently, the regions in which our Company has and proposes operations are governed by the SAP. The quantity to be sold is based on a Monthly Release Mechanism governed by the Directorate of Sugar, Ministry of Consumer Affairs. As per current release mechanism as mandated by the Sugar Directorate, Millers have to deliver 10% of their sugar production as “Levy Sugar” to Government at fixed price and deliver this sugar monthly under “Levy Quota”, issued by Directorate of sugar and sale the balance 90% of sugar production in open market monthly under “General Market Quota” at market price. The levy obligation to the millers is to the extent the quantity allocated in the levy quota on monthly basis. In “General Market Quota” the delivery/dispatch of the allocated quantity of sugar shall be completed within the prescribe month. Further the sugar factory shall sell/deliver and dispatch entire released quantity for the month within the prescribed validity period in the order, subject to the condition that, the sale and dispatch of non-levy quota released for the month, shall be made on monthly basis. We thus operate in an industry, which is highly regulated and any change in governmental or legal policies to the detriment to us could adversely affect the business, operations and profitability of our Company.

**15. *We have applied for certain new registrations and certain applications in respect of existing registrations are pending for renewal, for which we have not received approvals / renewals. If we do not receive the registrations, we may not be able to carry on our operations from such locations and it could adversely affect our business.***

We have applied for certain registration / renewal under applicable laws. We are yet to receive the registrations / renewals from the appropriate authorities. For further details please refer to section titled “Government Approvals” on page 167 of this Letter of Offer.

**16. *We may face competition from other established companies and future entrants into the industry.***

In the past few years, there has been an aggressive increase in capacities made by the existing sugar companies and the new entrants in the state of Uttar Pradesh. The supply of sugar in the market will further increase once these additional capacities start production. This additional supply of sugar in the market will affect the sugar price if it is not supported by proportionate increase in demand. Our profit margin may reduce in case of fall in future sugar prices and the same will have a direct impact on our share price.

**17. *Our success depends largely on our senior management and our ability to attract and retain our key personnel. Any significant changes in the key managerial personnel, may affect the performance of our company.***

Our success depends on the continued services and performance of the members of the senior management team and other key employees. Competition for senior and experienced personnel in the industry is intense at present. Any loss of the services of our senior management or other key personnel could seriously impair our ability to continue to manage and expand our business, which may adversely affect our financial condition.

**18. *We are subject to restrictive covenants in certain long term debt facilities provided to us by our lenders***

We have taken long term and short term loans from Banks. As per the signed loan agreements with them, there are certain standard restrictions imposed on us regarding change in capital structure, payment of dividend out of reserves and other such matters. We are required to obtain their prior approval before initiating such changes.

**Certain Significant Restrictive/Negative Covenants are:**

Some of our borrowings subject us to certain restrictive covenants which require us to obtain the prior permission of such banks before undertaking certain activities such as alteration of our capital structure, payment of any dividend etc. Some of these restrictive covenants which affect our shareholders’ interest include:

1. Any new project / diversification / modernization or substantial expansion of the project.

2. Issue any debentures, raise any loans, deposits from public, change its capital structure or create any charge on its assets or give any guarantees save and except Permitted Indebtedness.
3. Pay any commission to its promoters, directors, managers, or other persons for furnishing guarantees, counter guarantees or indemnities or for undertaking any other liability in connection with any financial assistance obtained for or by the Borrower or in connection with any other obligation undertaken for or by the Borrower for the purpose of the Project.
4. Create any subsidiary or permit any company to become its subsidiary.
5. Any merger / demerger, consolidation reorganisation, scheme of arrangement or compromise with its creditors or shareholders or affect any scheme of amalgamation or reconstruction.
6. Remove any person, by whatever name called, exercising substantial powers of management of the affairs of the Borrower at the time of execution of this Agreement.
7. Recognize or register any transfer of shares in the Borrower's capital made or to be made by promoters, their friends or associates as may be specified by the Lenders.
8. Make any investments by way of deposits, loans, share capital etc. in any concern.
9. Revaluation of our assets at any time during the currency of the Facilities.
10. Enter into any one time settlement or any other settlement with any lenders other Existing Lenders.
11. Enter into any joint venture, merger & acquisition deals, sale of investment and fixed assets, hiving off of divisions or substantial parts of its normal business or any such deal of a similar nature.
12. Undertake any major capital expenditure other than normal capital expenditure as per the restructuring scheme.
13. Any change in its management set-up.
14. Declare/ pay dividend on equity shares unless otherwise and pay recompense amount payable by the Borrower.

**19. *We currently enjoy certain tax benefits, which may not be available to us in the future which may affect our financial performance and future projections.***

As per the provisions of Section 80-IC of the Income Tax Act, 1961, we are eligible to claim a deduction with respect to profits derived from our sugar mill at village Libberheri, Tehsil Roorkee, District Haridwar, Uttarakhand on the basis of substantial expansion of Industrial Undertaking. Similarly, certain other tax benefits in this regard, which are currently being enjoyed by us, may not be available to us in the future. Such non-availability of tax benefits could adversely affect our results of operations and financials. For details of tax benefits available to our Company, please refer to "Statement of Tax Benefits" beginning on page 49 of this Letter of Offer.

**20. *Our insurance coverage may not adequately protect us against certain operating hazards and this may have a material effect on our business.***

We maintain insurance policies in respect of our principal places of business, including our sugar mills and vehicles. While we believe that the insurance coverage we maintain would reasonably be adequate to cover all normal risks associated with the operation of our business, there can be no assurance that any claim under the insurance policies maintained by us will be honoured fully or in part or on time. To the extent that we suffer loss or damage that is not covered by insurance or exceeds our insurance coverage, our results of operations and cash flow may be adversely affected.

**21. *We have not registered our brand i. e. 'Uttam Sugar' and we do not have a registered trademark.***

We are marketing the sugar manufactured by us under the brand 'Uttam Sugar' which has not been registered. This subjects us to the risk of imitation and loss of revenue owing to sub-standard quality sugar being sold by others under our brand name. Till date, the Company has not applied for the registration of brand name "Uttam Sugar". The Company has been advised by the Consultant that "Uttam" being a generic name was difficult to get the same as registered trade mark. However, under the Trade Marks Law, Company may take action for 'Passing-off' against persons imitating "Uttam Sugar" as it may be treated as well known Brand.

**22. *Any loss or break down of operations at any of our manufacturing facilities may have a material effect on our business, financial conditions and results of operations***

Our manufacturing facilities are subject to operating risks, such as the breakdown or failure of equipment, power supply or processes, performance below expected levels of output or efficiency, obsolescence, labour disputes, natural disasters, industrial accidents and the need to comply with the directives of relevant government authorities. The occurrence of any of these risks could significantly affect our operating results. We are required to carry out planned shutdowns of our plants for maintenance, statutory inspections and testing. Although precautions are taken to

minimize the risk of any significant operational issues at our manufacturing facilities, our business, financial condition and results of operations may be adversely affected by any disruption of operations at our facilities, including due to any of the factors mentioned above.

**23. We have entered into certain related party transactions.**

We have entered into certain related party transactions with our Promoters, Directors and Promoter Group entities and key managerial personnel. For details refer Note 40 of section titled “Financial Statements” on page no. 84 of this Letter of Offer.

**24. Bagasse, which is derived from sugarcane, and other biomass based fuels are the basic raw materials for our co-generation business. Any constraint in the availability or fluctuations in the price of sugarcane may affect the current or future capacity utilisation of the co-generation plant.**

Bagasse and other biomass based products such as rice husk, cane trash, mustard stalk/husk woodchips, are raw materials for the co-generation business. Availability of the primary fuel, Bagasse is dependent on the supply of sugarcane. Further, these raw materials are also used in some industries such as paper and paperboard. The availability of Bagasse and other biomass based raw materials for co-generation is subject to changes in the consumption patterns and other market forces in such other industries. Additionally, other industries may offer higher prices which may divert the supply of externally sourced raw material, which may in turn adversely affect the availability or pricing of these raw materials could impact our co-generation business and our profitability. Any constraint in the availability of sugarcane may affect the availability of Bagasse and consequently, the business of our co-generation plant.

Our Company has its cogeneration facilities situated at four units located at Uttar Pradesh and Uttarakhand with an installed capacity of 103 MW. The surplus power over and above our captive consumption is exported/supplied to Uttar Pradesh Power Corporation Limited and Uttarakhand Power Corporation Limited. During the year 2011-2012, we had produced 1467.79 lacs KWH and exported 642.53 lacs KWH amounting to Rs. 2693.73 lacs to power grids.

**25. There were certain delays in implementation of the projects and utilization of proceeds from the IPO of our Company in March 2006**

Our Company has made an Initial Public Offering of 40,00,000 equity shares of Rs. 10 each in March 2006 to part finance the project cost for setting up sugar mills and co-generation facilities at Khaikheri and Shermau where we had made certain promises in relation to the objects and capacity utilisation. The details of our Promises v/s Performance of the stated objects are as follows:

Particulars	Promise	Performance
Setting up of Unit III at village Khaikheri having a capacity of 4500 TCD alongwith co generation plant of power with a capacity of 15MW	To start Commercial Production by the end of October 2006	Commercial Production commenced in January 2007
Setting up of Unit IV at village Shermau having a capacity of 5000 TCD alongwith co generation plant of power with a capacity of 30 MW	To start Commercial Production by the end of October 2006	Commercial Production commenced in April 2007

The delay in implementation of our project was due to delay in supply and erection of critical equipments and prolonged trial period. The funds raised from the Initial Public Offering were utilized for the Objects as mentioned in our IPO Offer Document.

**26. Our ability to pay dividends in the future will depend upon our future earnings, financial condition, cashflows, working capital requirements, capital expenditures and restrictive covenants in our financing arrangements.**

Our future ability to pay dividends will depend on the earnings, financial condition and capital requirements of our Company. Dividends distributed by us will attract dividend distribution tax at rates applicable from time to time. We cannot assure you that we will generate sufficient income to cover our operating expenses and pay dividends to our shareholders. Our ability to pay dividends could also be restricted under certain financing arrangements that we may enter into. In addition, dividends that we have paid in the past may not be reflective of the dividends that we may pay

in a future period. We may be unable to pay dividends in the near or medium term, and our future dividend policy will depend on our capital requirements, financing arrangements, results of operations and financial condition.

### **EXTERNAL RISK FACTORS**

**27. *Our business is dependent on the Sugar cane production during the sugar season which may be affected due to adverse climatic conditions***

Sugar industry is an agro based industry and its main raw material is sugarcane. In any year, if there is a shortfall in sugarcane production on account of adverse climatic conditions, the amount of sugar produced by the sugar mills is affected adversely. Apart from climatic conditions, the sugar cane crop may also be impacted by the occurrence of crop disease. Proper water management through irrigation during the formative stage of the cane is critical to the sucrose content and overall quality of the cane. In case the quality /quantity of cane is affected by any of the aforementioned conditions, we may not be able to optimally utilize our crushing capacity. This will directly affect our profitability.

**28. *We operate in Sugar industry which is cyclic. Profitability of sugar manufacturing units like ours depends largely on the stage of the cycle witnessed by the industry.***

Domestic sugar industry typically follows a 4 to 6 years cycle. Higher sugarcane and sugar production results in a fall in sugar prices and non-payment of dues to farmers. This compels the farmers to switch to other crops thereby causing a shortage of sugarcane, consequently an increase in sugarcane prices. Taking into account the prevalent higher prices for sugarcane, farmers then switch back to sugarcane. Profitability of sugar manufacturing units like ours depends largely on the stage of the cycle witnessed by the industry. The sugar production which was 127 lakh tones in sugar season 2004-05 has grown up substantially to 193 lakh tonnes in sugar season 2005-06 and further to 283 lakh tonnes in sugar season 2006-07. For the sugar season 2007-08, the sugar production was 263 lakh tones and for sugar season 2008-2009 it was 145 lakh tones. Sugar production in Sugar year 2009-2010 and 2010 – 2011 was 189 lakh tones and 294 lakh tones respectively (source: Indian Sugar Mills Association).

The sugar industry has historically been subject to commodity cycles and is sensitive to changes in domestic market prices, supply and demand. The market in India has experienced periods of limited supply, causing sugar prices and industry profit margins to increase. Sugar imports are governed by Government of India's policies. In the event of any changes in these policies, import of white sugar may be an attractive option and which, in turn, would drop domestic prices and thereby impact our financial condition.

Conversely, years of low production and declining sugar stocks may be followed by years of excess production that result in over-supply of sugar to the domestic markets, causing a decline in sugar prices and industry profit margins.

**29. *Adverse weather conditions, crop disease, pest attacks may adversely affect sugarcane crop yields and sugar recovery rates for any given harvest.***

Our sugar production depends on the volume and sucrose content of the sugarcane that is supplied to us. Crop yields and sucrose content depends primarily on the variety of sugarcane grown, the presence of any crop disease and weather conditions such as adequate rainfall and temperature, which vary. Adverse weather conditions have caused crop failures and reduced harvests and resulted in volatility in the sugar and ethanol industries and consequently in our operating results. Flood, drought or frost can adversely affect the supply and pricing of the agricultural commodities that we sell and use in our business. There can be no assurance that future weather patterns, potential crop disease or the cultivation of certain sugarcane crop varieties will not reduce the amount of sugarcane or sugar that we can recover in any given harvest. Any reduction in the amount of sugar recovered could have a material adverse effect on our results of operations.

**30. *The sugar prices in India are impacted by the world sugar production and consumption. The global demand and production may affect the prices for Sugar.***

Sugar is produced in around 110 countries. The increase in production of Sugar in major sugar producing countries like Brazil, China, Thailand, European Union (EU) has created surplus in the global sugar market and has resulted in lowering of the sugar prices in past few years. If such surplus phase characterized by a significant excess of global production over consumption continues, we cannot assure of higher realization prices of sugar being produced by us.

**31. *Changes in Government Policies and political situation in India may have an adverse impact on the business and operations of our Company***

Since 1991, the Government of India has pursued policies of economic liberalization, including relaxing restrictions on the private sector. We cannot provide any assurance that the process of liberalization will be sustained in future. There could be a slowdown in the pace of economic development. The rate of economic liberalization could change specific laws and policies, foreign investment, currency exchange rates and other matters affecting investing in our securities could change as well. Any adverse change in Government policies relating to the Sugar Industry in general may have an impact on our profitability.

Certain events that are beyond our control such as earthquake, fire, floods and similar natural calamities may cause interruption in the services provided by us. All our facilities are located in India and our officers and directors are residents in India. Our operations and financial results and the market price and liquidity of our equity shares may be affected by changes in Indian Government policy or taxation or social, ethnic, political, economic or other adverse developments in or affecting India.

**32. *Regional or International hostilities, terrorist attack or other acts of violence of war could have a significant adverse impact on international or Indian financial markets or economic conditions or on Government Policy. Such incidents could also create a greater perception that investment in Indian Companies involves a higher degree of risk and could have an adverse impact on our business and on the market price of our company's equity shares.***

**33. *Our Company is subject to risk arising from changes in interest rates and banking policy.***

We are dependent on various banks for arranging our working capital requirements, etc. Accordingly, any change in the existing banking policy or increase in interest rates may have an adverse impact on our Company's profitability.

**34. *Statutory taxes and other levies may affect our margin in the event of our inability to factor such expense in our selling prices.***

Any increase in taxes and / or levies, or the imposition of new taxes and / or levies in the future, could increase the cost of production / operating expenses. To the extent, our Company is not able to factor such increase in the selling price; it may have a material adverse impact on our business operations and financial conditions.

**35. *A slowdown in economic growth in India could cause our business to suffer.***

Substantially all of our assets are located in India and substantial portion of our total income originated from India. Consequently, our performance and growth are dependent on the health of the Indian economy. Various factors, such as political or regulatory action, including adverse changes in liberalisation policies, social disturbances, terrorist attacks and other acts of violence or war, natural calamities, interest rates, commodity and energy prices, could adversely affect the Indian economy. Any slowdown in the Indian economy may adversely affect our business and financial performance and the price of our Equity Shares.

**36. *If the rate of price inflation in India increases, our business and results of operations may be adversely affected.***

In the recent past, due to the global economic downturn, India has experienced fluctuating wholesale price inflation, as compared to historical levels. Constant high rate of inflation in India could cause a rise in the price of raw materials and wages and all other expenses that we incur. If this trend continues, we may be unable to accurately estimate or control our costs of production and this could have an adverse effect on our business and results of operations.

**37. *Any disruption in supply of power, water or other basic infrastructure facilities could adversely affect the business and production process of our Company or subject it to excess cost, which in turn will have an adverse impact on our profitability.***

**38. *Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.***

External factors such as potential terrorist attacks, acts of war or geopolitical and social turmoil in many parts of the world could constrain our ability to do business, increase our costs and negatively affect our stock price. These geopolitical, social and economic conditions could result in increased volatility in India and worldwide financial markets and economy, and such volatility could constrain our ability to do business, increase our costs and negatively affect our stock price.

**39. Natural calamities could have a negative impact on the Indian economy and cause the business to suffer.**

India has experienced natural calamities such as earthquakes, tsunami, floods and drought in the past few years. The extent and severity of these natural disasters has an impact on the Indian economy. Any negative impact of natural disasters on the Indian economy could adversely affect the business and the market price of the Equity Shares.

**40. The market value of the Equity Shares may fluctuate due to the volatility of the securities markets. As such shareholders will bear the risk of fluctuation in the price of Equity Shares**

The securities markets are volatile and stock exchanges have in the past, experienced substantial fluctuations in the prices of listed securities. The stock exchanges have experienced problems, which, if these were to continue or recur, could affect the market price and liquidity of the securities of Indian Companies, including the Equity Shares. The governing bodies of the various Indian stock exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements.

## OBJECTS OF THE ISSUE

The Objects of the Issue are as under:

1. Financing the Capital Contribution margin for additional working capital
2. Repayment of Interest Free Unsecured Loan temporarily taken from promoters to fund margin for Additional Working Capital
3. Meeting the Issue related Expenses

Our Company intends to deploy the Net Proceeds of the Issue mainly to finance a portion of Working Capital Gap in terms of CDR approved scheme a part of which has been temporarily financed through Interest Free Unsecured Loan received from promoters which shall also be repaid out of the issue proceeds.

### Issue Proceeds and its proposed utilisation:

The Net Proceeds of the Issue:

Particulars	Estimated Amount (Rs. in Lacs)
Issue Proceeds	2721.21
Issue related expenses	56.65
Net Proceeds of the Issue	2664.56

We intend to utilise the Net Proceeds of the Issue for financing the objects as set forth below:

Particulars	Estimated Amount (Rs. in Lacs)
Repayment of Interest Free Temporary Unsecured Loan	675.00
Financing the Long-Term Working Capital Gap	1989.56
Total	2664.56

### Details of the Objects of the Issue:

#### 1. Capital Contribution margin for additional working capital:

Our Company has faced certain financial difficulties due to past losses and unfavourable sugar seasons. Consequently, the cash flows were adversely affected. In March 2009 our Company approached its lenders for comprehensive restructuring under CDR. The proposal was referred by IDBI, to CDR and was admitted on April 22, 2009. IDBI was appointed as the Monitoring Institution and final restructuring proposal was approved by CDR-EG in October 2009. The CDR Package was sanctioned and implemented by all the lenders.

However, during sugar Season 2009-10 the financial performance of our Company was adversely affected due to sharp decrease in sugar prices in second half of the sugar season ended June 2010 which resulted in a loss of Rs. 4406 Lacs. Our Company hence approached its lenders for additional funding of Rs. 11000.00 lacs in the form of Term Loan to bridge the Working Capital Gap. The Monitoring Institution, IDBI assessed this WC Gap as Rs. 10800.00 lacs and referred the matter to CDR-EG. CDR-EG in its meeting held on August 12, 2011 has approved in principle the Funding of Working Capital Gap of Rs. 10800 lacs and advised the lenders to sanction and disburse the amount at the earliest after getting clearance from their respective Competent Authorities.

Under the approved CDR Scheme, the Working Capital Gap shall be financed to the extent of 75% by the Working Capital Lenders in pro rata basis and balance 25% shall in the form of promoters' contribution. Hence a sum of Rs. 2700 lac is required to be brought in by the Promoters in the form of equity contribution. Hence, our company has decided to raise the required funds for Promoters Contribution through the Rights Issue in respect of which our company has also obtained No objection from all the Bankers of the CDR Package for the Rights Issue.

In terms of the said CDR Directive one of the lenders, Punjab National Bank has sanctioned a Working Capital Term Loan of Rs. 4500 lacs vide its letter dated October 04, 2011. Similarly, IDBI & IOB have sanctioned the

additional Working Capital Term Loan of Rs. 800 Lacs & Rs. 944 lacs vide their letters dated November 3, 2011 and November 22, 2011 respectively. Further, Oriental Bank of Commerce has also sanctioned their portion of the Working Capital Term Loan amounting to Rs. 3.97 crores Hence 82% of the total loan portion of the Working Capital Gap is already tied-up. The remaining working Capital Term Loan of Rs. 14.59 Crores i.e. 18% of the total Working Capital Term Loan is under consideration by State Bank of India.

**The Working Capital Gap has been assessed by IDBI as under:**

The Working Capital Gap is mainly because of increase in cane price during the previous sugar season 2009-10, which could not be offset, as the selling price of sugar had not increased in proportion to increase in raw material cost. On the basis of loss of sale of sugar stock of Sugar season 2009-10, Working Capital Gap worked out to Rs. 10800 lacs as under:

Particulars	Amount
Stock as on 31.03.2010 (lacs Qtl.)	15.80
Production During April 2010 (lacs Qtl.)	2.23
Total	18.03
Value Addition* (Rs./Qtl.)	(597)
Value (Rs. in lacs)	10765.00 (approx. 10800 lacs)

\* Value addition in negative variation between cane cost and average realisation

The Working Capital Gap financing shall be as under:

Particulars	Amount (Rs. in Lacs)	Amount (Rs. in Lacs)
Total Additional Working Capital requirement	10800.00	
Long Term Working Capital Loans from Banks & Financial Institutions		8100.00
Capital Contribution to the Working Capital Gap (25%)		2700.00

The sanctioned limits of Working Capital as available to our Company and level of utilization before the financing of Additional Working Capital Requirement: (As on 15.07.2011)

Working Capital Limits	Sanctioned Limit	Outstanding
IDBI	3013	2528
PNB	16940	15533
IOB	3555	3355
SBI	5492	4492
OBC	1500	1100
<b>TOTAL WORKING CAPITAL</b>	<b>30500</b>	<b>27008</b>

- In terms of the sanctioned CDR Scheme for Additional Working Capital, the lenders require 25% capital contribution to release a part of the Additional Working Capital Loan. Hence, our Company's Promoters have infused a sum of Rs. 675 lacs out of the total Rs. 2700 lacs in the form of temporary interest free unsecured loan. A part of the proceeds shall be used to repay this temporary unsecured loan.

**3. Issue related expenses:**

The total expenses of the Issue are estimated to be approximately Rs. 56.65 lacs. The Issue related expenses include, Issue management fees, underwriters' fees, Registrar fees, printing and distribution expenses, fees of the legal counsel, advertisement and listing fees to the Stock Exchanges etc. The break-up of total Issue expenses is set out below:

<b>Category</b>	<b>Estimated expenses (Rs. in lakhs)</b>	<b>% of the Issue expenses</b>	<b>% of total Issue size</b>
Fees to the Lead Manager	10.00	17.652	0.367
Fees to the Registrar to the Issue	2.65	4.678	0.097
Fees to the Underwriters	13.75	24.272	0.505
Fees to the Auditors and Legal Counsel	3.25	5.737	0.119
Advertising, Publicity and Stationery Expenses	10.00	17.652	0.367
Contingency & Other Expenses including Stamp duty, Statutory fees, Listing Fees, Depository Charges etc	17.00	30.009	0.625
<b>Total</b>	<b>56.65</b>	<b>100.000</b>	<b>2.080</b>

The requirements of the objects detailed above are intended to be funded from the Net Proceeds of the Issue. Accordingly, our Company confirms that there is no requirement for it to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised through the Issue.

### SUGAR INDUSTRY

#### GLOBAL SCENARIO

Sugar is produced in 110 countries. Brazil and India are the largest sugar producing countries followed by China, USA, Thailand and others.

<sup>1</sup>Sugar production, raw value, for the 2011-12 marketing year is forecast at 168 million metric tons (MMT), up by 8 MMT over the previous year. Changes in world production are highlighted by higher production in Brazil, China, India, Russia, and Thailand.

Strong demand in the EU, Indonesia, Russia and many other markets and the need to replenish stocks will enhance

exports from Brazil and Thailand which are forecast to have large exportable supplies. Global Exports are forecast at 56 MMT, up by 3 MMT over the previous year. Consumption is forecast at a record 162 MMT, up by 2.7 MMT from a year earlier and ending stocks are forecast at 29 million tons, down over 400,000 tons.

Sugar prices have fallen significantly since reaching a high in early February, 2011. A larger than expected 2010-11 Thai sugarcane crop contributed to the downward move. Prices are currently around 21 to 23 cents per pound.

<sup>1</sup> United States Department of Agriculture-Foreign Agricultural Service May 2011-Sugar: 2011/12 forecast

<sup>2</sup>World sugar production is expected to increase by 50 Mt to reach over 209 Mt in 2020-21. The bulk of the additional sugar production will come from the developing countries and the main burden of growth will continue to fall on Brazil. Brazil has expanded production rapidly in the past two decades, but a slowdown in investment in new mills occurred after the financial crisis of 2008, slowing overall growth in following years. The recent surge in sugar prices has improved profitability and should trigger additional investment to come on stream within the decade, with output rising by around 11 Mt to nearly 50 Mt by 2020-21.

## <sup>2</sup>Market Situation

The world sugar market continues to experience considerable price volatility. The world indicator price for raw sugar witnessed a succession of peaks and downward corrections in 2010 before soaring to a 30-year high of USD 36.08 cts/lb (USD 795.4/t) in February 2011. Market fundamentals driving volatile prices were large global sugar deficits in the previous two seasons and adverse weather in a number of countries that reduced the size of the expected rebound in production to higher prices. World sugar stocks, which had already been drawn down, fell to their lowest level in 20 years in 2010-11, supporting higher as well as more volatile market prices.

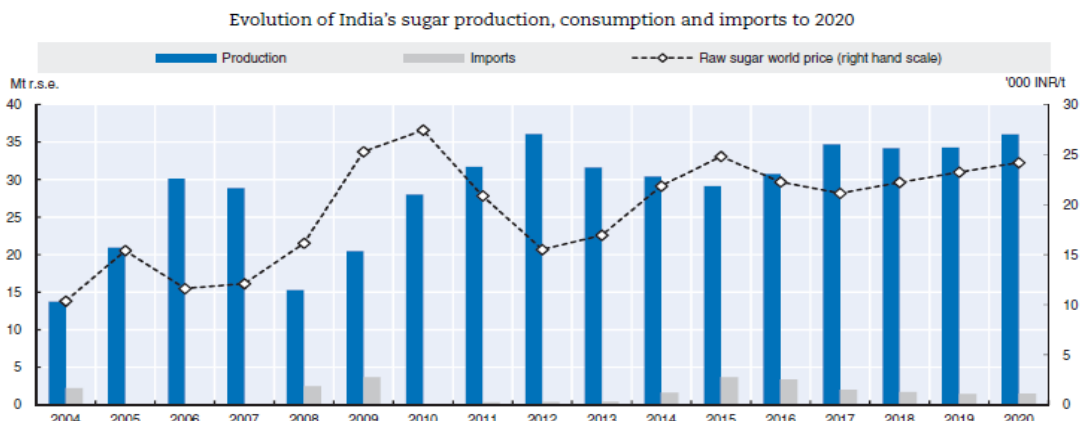

### World sugar balance moves into surplus World sugar production less consumption

India, the second largest global producer and the world's leading consumer, is expected to boost production substantially to 32 Mt of sugar per year, on average, in the coming decade, or some 50% higher than in 2008-10, when production fell sharply. Annual sugar output will continue to be subject to periodic large swings in response to the longstanding production cycle. Some other countries of Asia, such as China and Pakistan, are also expected to continue to experience milder forms of production cycles, which contribute to fluctuations in production and their import volumes. Outside this group, an expansion drive underway in Thailand is expected to continue as investment projects currently in the pipeline come on stream, lifting production to around 8.7 Mt by 2020-21.

## INDIAN SUGAR INDUSTRY

<sup>3</sup>India has been known as the original home of sugar and sugarcane. Indian mythology supports the above fact as it contains legends showing the origin of sugarcane. India is the second largest producer of sugarcane next to Brazil. Presently, about 4 million hectares of land is under sugarcane with an average yield of 70 tonnes per hectare.

### <sup>4</sup>Sugar Process Flow Chart

<sup>3</sup>India is the largest single producer of sugar including traditional cane sugar sweeteners, khandsari and Gur equivalent to 26 million tonnes raw value followed by Brazil in the second place at 18.5 million tonnes. Even in respect of white crystal sugar, India has ranked No.1 position in 7 out of last 10 years.

Traditional sweeteners Gur & Khandsari are consumed mostly by the rural population in India. In the early 1930's nearly 2/3rd of sugarcane production was utilised for production of alternate sweeteners, Gur & Khandsari. With better standard of living and higher incomes, the sweetener demand has shifted to white sugar. Currently, about 1/3rd sugarcane production is utilised by the Gur & Khandsari sectors. Being in the small scale sector, these two sectors are completely free from controls and taxes which are applicable to the sugar sector.

<sup>4</sup>Sugar Industry in India is the second largest agro-based industry in the country next to cotton textiles. The Indian Sugar Industry is playing a pivotal role in rural development, supporting over about 50 million sugarcane farmers, their dependents and a large mass of agricultural laborers involved in sugarcane cultivation, harvesting, machine manufacturing etc. of almost 671 sugar mills and ancillary activities, constituting some 7.5% of the rural population. In addition, about 0.5 million skilled and semiskilled workers, mostly from the rural areas are engaged in the sugar industry. Thus, the sugar industry has been a focal point for socio-economic development in the rural areas by mobilizing rural resources, generating employment & higher income, besides giving a fillip to transport and communication facilities.

<sup>2</sup> OECD and FAO Agricultural Outlook 2011-2020

<sup>3</sup> <http://www.sugarindustry.com/sugarindustry.htm>

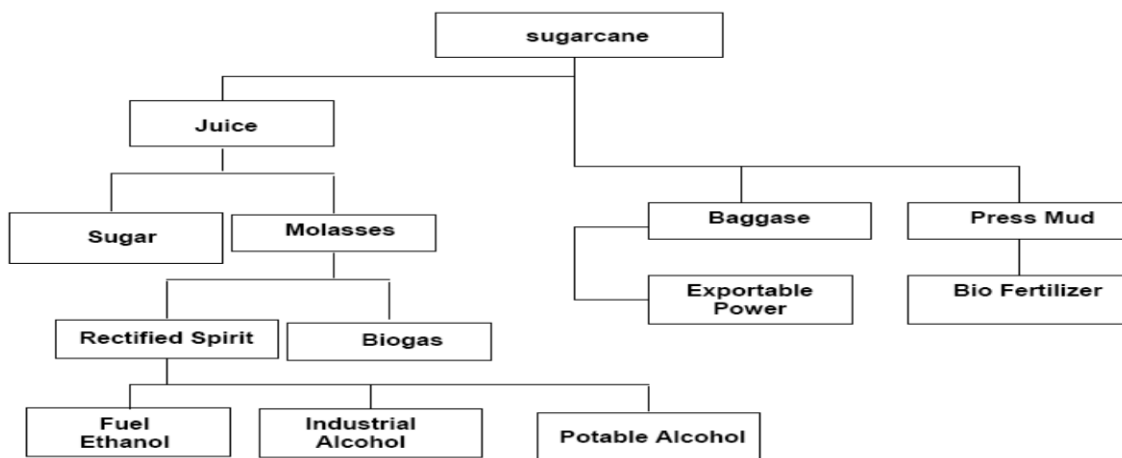

<sup>4</sup> <http://www.indiansugar.com/Public/sugar.aspx>

Sugar Industry in India has come a long way from its inception in the 1930s. In 1950, there were 139 sugar factories in the country with an annual installed capacity of 16.7 lakh tonnes and now the country has about 671 sugar factories (including closed ones) with an annual sugar production of 241 lakh tonnes. India has 20% of the total sugar mills in the world and accounts for about 15% of the global production.

### **By-Products of Sugar**

There are 3 important by-products in the sugar industry viz. molasses, bagasse and press mud. While bagasse is used to generate electricity, a large part of which is exported to the power grid, molasses is used to produce rectified spirit/alcohol for making liquor and fuel and press mud is used to produce high quality manure.

Traditionally, molasses has been used in India to produce rectified spirit and alcohol of about 95% purity for producing liquor for human consumption and for producing various chemicals. However, with technological developments in the recent past, molasses has been effectively used to produce bio-ethanol for blending with petrol as a fuel.

4 <http://www.indiansugar.com/Public/sugar.aspx>

5 <http://www.indiansugar.com/>

### **Ethanol**

Ethanol is one of the by-products of the sugar industry. It is made from molasses, which still contain some sugar, but this sugar cannot be extracted using current technologies. The Government of India realized the benefits of fuel ethanol use in India. With a vibrant and fast growing sugar industry, India being the second largest sugarcane producer in the world, it accepted that there is a huge potential of production and availability of the fuel ethanol. Further, it was accepted by the Government in 2006, that a mandatory 5% ethanol blending with petrol (EBP) programme would directly benefit the sugarcane farmers by assuring the sugar industry a stable and reasonable return for the molasses and then passing a significant part of the same to the farmers. The Central Government even amended the Sugarcane (Control) Order, 1966, to consider returns on molasses while fixing the price payable by sugar mills for cane to farmers. Therefore, better and stable returns on molasses directly translate into better payments to farmers. The expert panel for pricing of ethanol has recommended in March 2011 for a linkage of price of ethanol to petrol. The formula would ensure that the ethanol procurement price will always be lower than the petrol price.

### **Cogeneration**

Co-generation is the concept of producing two forms of energy from one fuel. One of the forms of energy must always be heat and the other may be electrical or mechanical energy. In a conventional power plant, fuel is burnt in a boiler to generate high-pressure steam which is used to drive a turbine, which in turn drives an alternator through a steam turbine to produce electrical power. The exhaust steam is generally condensed to water which goes back to the boiler. As the low-pressure steam has a large quantum of heat which is lost in the process of condensing, the efficiency of conventional power plants is only around 35%. In a cogeneration plant, very high efficiency levels, in

the range of 75%–90%, can be reached. This is so, because the low-pressure exhaust steam coming out of the turbine is not condensed, but used for heating purposes in factories or houses.

## **<sup>8</sup>SWOT analysis of the Sugar Industry in India**

### **Strengths**

- India is the Second Largest Producer of Sugar in the World after Brazil. The sector has a potential to make the country to be self reliant in this highly sensitive essential commodity of mass consumption.
- Sugar is necessary ingredient in many products.
- Sugar Industry is tax contributor to the government, provides employment to the farmers.
- It also supports the downstream industries by providing the raw material like Begasse, Ethanol.
- Sugarcane farming is more profitable than any other cash crop in India.
- This sector have been the focal point of socioeconomic development of the rural India.
- Strong government policies as it comes under essential commodity of mass consumption.

### **Weakness**

- India is the Largest Consumer of Sugar leads to shortage of Sugar, Health Problems.
- Most of the Co-operative sugar industries in India e. g. in Maharashtra find difficult to pay for the sugar cane supplied by the farmers.
- Most of the sugar factories are more than 30 years old and still using the old technology low installed production capacity leads to the decrease in production and losses.
- Lack of professionalism.

### **Opportunity**

- Huge Potential to increase the productivity of Sugar cane by up gradating Technology.
- High value of by-products for down stream industries.

### **Threats**

- Sugar sector is vulnerable to political interest.
- Ground water availability for irrigation.
- Quality of soil deteriorates due to overuse of fertilizer and pesticides to increase sugarcane yield.
- Unhealthy competition between members of the society.
- Competition with the Brazil and World Market.

## **<sup>8</sup>KEY FACTORS THAT DECIDES THE ECONOMICS OF THE SUGAR SECTOR**

### **1. Pricing of Sugarcane:**

Sugarcane is the main raw material for sugar industry and accounts for about 70% of the total cost of production of sugar. It is also the major source of income for millions of farmers. The determination of price for sugarcane is therefore, a matter of critical importance both for the sugar industry and the cane growers. The central government fixes a statutory minimum price in terms of clause 3 of the sugarcane (control) order, 1966 in respect of each sugar season by considering the following

<sup>8</sup> Indian Sugar Sector Network Report-Sector Overview and SWOT Analysis

- i. Cost of production of sugarcane.
- ii. Return to the growers from alternative crops and the general trend of prices of agricultural commodities.
- iii. Availability of sugar to consumers at a fair price.
- iv. Sugar producers sell price at which sugar produced from sugarcane.
- v. Recovery of sugar from sugarcane.

**Statutory minimum price of sugarcane**  
(Rs. per quintal)

Further, States can declare their own State Advised Price (SAP) higher than the SMP. Presently, the regions in which our Company has operations are governed by the SAP.

**2. Industry is Highly Regulated**

Sugar industry is one of the few industries that still remain under government control. Due to the politically sensitive nature of the industry, the government still continues to regulate sugar release; sugarcane procurement area and pricing of sugar cane. The centre also regulates the release mechanism for sugar. Release can be classified as free sale sugar and levy sugar. Free sale sugar refers to the quantity that mills are permitted to sell in the open market. Levy sugar refers to the quantum of sugar that mills have to give to the government for sale through the public distribution system.

**3. Variation in supply of sugarcane due to dwindle in payment paid to the farmers.**

The Indian sugar industry follows predictable cycle of atleast 4-5 years. Shortage of sugar leads to an increase in prices. Mills pay higher prices for cane which tempts the farmers to switch to sugarcane. This result in a glut in both cane and sugar and this depresses sugar prices. Cane payments to farmers get dwindled and delayed as inventory buildup, farmers switch to other cash crop which leads to a fall in sugarcane production and sugar production. The consequent shortage of sugar results in an increase in sugar prices. This of course, does not take into consideration the effect of monsoon, which also have similar consequences.

**<sup>8</sup>KEY ISSUES OF THE SUGAR INDUSTRY**

**1. Social Issues: -**

- **Low Price leads to Impact on Development:** - Sugar production plays a key role in the economics and employment of least developed countries. Low domestic or export prices have knock-on effects on field and production labor. Sugar Industry is the focal point for farmers in Rural areas as it is providing employment, low price affects the farmers badly.

**Poor working condition:** - Working in sugarcane plantation can be backbreaking work with very poor wages. There may be significant exposures to agrochemicals, especially herbicides, although this is less of a problem than with many other commodity crops

**Impact on the ground water:-**This is associated particularly with the growing of cane, and also in the processing of both cane and beet. Sugarcane is deep rooted crop and uses a lot of water; it is very sensitive to soil water deficits. In many areas it is usually from 100% of water by irrigation, although in other areas it is rainfed. The crop can have a great impact on the river flow and the ground water.

<sup>8</sup>Indian Sugar Sector Network Report-Sector Overview and SWOT Analysis

A recent study of irrigated agriculture in selected river basin of high importance of biodiversity. WWF ranks sugar as the third “Thirstiest” commodity crop, typically requiring 1500-3000 liters per kg of crop.

- **Change in the cropping pattern:** - It is essential to follow the proper cropping pattern/ crop rotation according to the agro climatic condition to improve the biophysical properties of the soil and reduction in pest incidence, but in case of sugarcane production because of its high value as cash crop most of the farmers have been started to take the advantage. But this affects fertility of land by reduction in the production of biomass for livelihood which could affect the social life.
  - **Health impact due to burning of bagasse:** - Bagasse used as a fuel in boiler. The unburned particles comes out of the stack contains a silica which is very harmful. It may create a serious health related problems. If pollution control equipment would not be installed, fly ash escapes to the atmosphere and can affect the population with irritation in eyes, nose, throat and lungs and can damage crop.
- 2. Employment generation:-** Sugar factories located in rural areas support huge economic activity in the rural areas, with about 45 million sugarcane farmers, their dependent and large group of agriculture labors being involved in sugarcane cultivation, harvesting and ancillary activities.

### **3. Environmental Issues:-**

- **Water Pollution**

- Agrochemicals and sediments can pollute nearby watercourses.
- Most of the time it is observed that the sugar industries discharged their wastewater i.e. spent wash during the rainy season in the nearby rivers and other surface water bodies resulting in severe contamination of the surface water resources.
- Siltation and eutrophication of nearby surface water bodies due to soil erosion due to flood irrigation and over irrigation.

- **Water Scarcity**

- Sugarcane is a deep-rooted crop and can have a great impact on river flow as it reduces run-off from the catchment into rivers and draws heavily on ground water resources.

- **Air Pollution**

- Burning of cane to speed harvest causes air pollution and increases erosion.

- Bagasse, which is commonly used as fuel in boilers, produces fly ash, which escapes to the atmosphere and can affect the population with irritation in eyes, nose, throat and lungs, and can damage crops

- **Degraded Soils:**

**Field level impact**

- Erosion is a significant issue in areas under sugar cane or beet cultivation, since erosion rates in tropical agro-ecosystems are usually greater than the rate of soil formation.
- This figure constitutes 7.5 % of the total rural population. Besides, about 0.5 million skilled and semiskilled workers mostly from the rural area are engaged in the sugar industry Cane harvesting can cause a significant removal of soil with the roots. Declining soil quality is associated with cane and beet production, due to soil compaction, loss of organic matter, salinization and acidification. 10-30 percent of the total beet harvest weight is soil

---

<sup>8</sup>Indian Sugar Sector Network Report-Sector Overview and SWOT Analysis

### ***Impact on soil health***

- Heavy infield transport machinery is most commonly associated with soil compaction problems. Soil compaction decreases porosity and water infiltration rate, restricting the rooting ability of the crop
- Conventional tillage commonly promotes erosion by exposing soil aggregates to rainfall. Conventional tillage i.e. deep ploughing, also drastically changes soil structure
- Acidification is also more prevalent in cane than beet growing areas, largely due to the use of inorganic nitrogenous fertilizers such as urea and ammonium sulphate.
- Most of the farmers still use the flood irrigation pattern which results in huge wastage of water, electricity and results in salinization of the soil which is another important cause of lower productivity.
- Productivity of the sugarcane in the region is going down owing to excessive use of chemical fertilizers/herbicides

- ***Solid waste management***

Sugarcane milling generates bagasse (Fibrous waste produces during the milling of cane) as fuel in boilers, which produces particulate matter, nitrogen oxide and sulphur, if pollution control equipment is not installed, fly ash escape to the atmosphere and can affect the population with irritation in eyes, nose, throat and lungs and can damage crop.

### **4. Policy Issues:-**

#### ***Sugar acts & orders: -***

The Government of India closely monitors sugarcane and its production as they have a substantial effect on the lives of the people. The industry is governed by a variety of regulation-imposed by the central and the state government. Some of the rules could be.

- **Essential Commodities Act, 1955:** -The objective of the EC Act is to control the production, supply, distribution of and trade and commerce in the essential commodity.
- **Sugar (Control) Order, 1966:** -The Sugar (Control) Order 1966 provides for power to the government to regulate production of sugar, restrict sale etc. of sugar by producers, movement of sugar and quality of sugar, call for information from producer or recognized dealer, inspection, entry, search, sampling and seizure of sugar and delegation of powers conferred by the Sugar (Control) Order, 1966 to any officer or authority of the central or state government.
- **Sugarcane (Control) Order, 1966:** - Sugarcane (Control) Order, 1966 provides for price (SMP) for sugarcane purchased by sugar mills during each sugar season (Clause 3), payment of interest at 15% per annum on amounts due beyond 14 days of delivery of sugarcane at factory gate (Clause 3(3-A)), payment of additional cane price to the growers (Clause 5-A) regulation of distribution and movement of sugarcane (Clause 6), licensing of power crushers and khandsari units and regulation, issue of directions to producers of khandsari sugar (Clause - 8), power to call for information etc. from producers (Clause - 9) power to entry, search and seizure (Clause 9-A) and delegation of powers conferred by the Sugar (Control) Order, 1966 to any officer or authority of the central or state government.
- **Levy Sugar Supply (Control) Order, 1979:** -Levy Sugar Supply (Control) Order, 1979, provides for powers to issue direction to producer or dealer for supply of levy sugar requisitioned by the central government through an order made with reference to section 3(2) (f) of the E.C. Act, 1955.
- **Sugar (Packing and Marking) Order, 1970:** -Sugar (Packing and Marking) Order, 1970 provides markings to be indicated on sugar bags. Unless otherwise permitted by central government, sugar is required to be packed in jute bags conforming to Indian standard specifications. Sugar meant for the purpose of export and small-consumed packs of 5 kg and below have been exempted from the compulsory use of jute bags.
- **Sugar Cess Act 1982:** -The Sugar Cess Act 1982 was enacted to provide for the imposition of a cess on sugar for the development of sugar industry and for matters connected therewith.

- **Sugar Development Fund Act 1982:** - The object of the Sugar Development Fund, 1982 (briefly the SDF Act) in the formation of the Sugar Development Fund to be applied for the purpose of rendering financial assistance through loans at concessional rates for rehabilitation and modernization of sugar factories as well as for sugarcane development and for encouraging research aimed at development of sugar industry by making grant.
- **Sugar Development Fund Rules 1983:** - The Sugar Development Fund Rules, 1983 were made in exercise of the powers conferred by Section 9 of the SDF Act, 1982, to provide for (a) the manner in which any loss or grants out of the fund and the terms and conditions thereof, (b) the manner and form in which applications are to be made; (C) the composition of the committee and the procedure to be followed by it in the discharge of its functions and (d) the form in which and the period within which statistical and other information may be furnished by sugar factories
- **LSPEF Act, 1976:** -Levy Sugar Price Equalization Fund Act, 1976 (Amended upto 1984). The Levy Sugar Price Equalization Fund Act 1976 (briefly LSPEF Act) was enacted to provide for the establishment, in the public interest, of a Fund to ensure that the price of levy sugar may be uniform throughout India and for matters connected therewith or incidental thereto.

## SUMMARY OF OUR BUSINESS

We are in the business of manufacturing sugar with a total installed crushing capacity of 23,750 TCD. The Company set up its first unit at Village Libberheri, Tehsil Roorkee, District Haridwar, Uttarakhand in 2000-01 for manufacturing sugar using Double Sulphitation (DS) process with a capacity of 2500 TCD along with co-generation facilities of 6 MW of power. The Company commenced commercial production on January 12, 2001. The capacity of the plant has since been increased to 6250 TCD in 2004. We installed and commissioned our second unit for manufacturing of sugar in 2005-06 with a capacity of 3500 TCD (present crushing capacity of 7000 TCD) at Barkatpur, district Bijnor, Uttar Pradesh. We have also commissioned two units at Khaikheri in January 2007 and Shermau in April 2007 in Uttar Pradesh with crushing capacity of 4500 TCD and 5000 TCD respectively. Along with the sugar manufacturing unit we also have Co-generation capacity of at all our four sugar units with a total capacity of 103 MW. Our businesses can be categorised into two broad areas, namely Sugar Production and Power Co-generation. However the substantial power co-generation is used for captive consumption. Further we have also decided to venture into production of ethanol from Mollasses to improve the financial viability of our sugar mills.

Given below is a detail of our installed capacities:

Name of Unit / Location	Cane crushing capacity per day (TCD)	Power (MW)	Ethanol Distillery (LPD)
Libberheri	6,250	23	
Barkatpur*	7,000*	40	75,000
Khaikheri	4,500	15	
Shermau	6,000	25	
<b>Total</b>	<b>23,750</b>	<b>103</b>	<b>75,000</b>

\* The installed capacities of Miling, Steam & Power generating plant is suitable for 8500 TCD crushing capacity of plant, although over-all cane crushing capacity is only 7000 TCD

Note: The Company is exporting surplus power.

### Our existing manufacturing facilities

#### Unit at Libberheri

Our sugar mill at Libberheri, district Haridwar in Uttarakhand has sugarcane crushing capacity of 6250 TCD and co-generation capacity of 23 MW. This mill is one of the few units in India producing sugar through the Defeco Remelt Phospho Floatation Process (DRP). The sugar unit is well connected by rail as well as road to the nearest major market being Muzaffarnagar. The region is situated in the Gangetic Plain which has ample water supply due to the high water table.

#### Unit at Barkatpur

Our sugar mill at Barkatpur is located in the Tehsil - Nazibabad, District - Bijnor (Uttar Pradesh). It was commissioned in January 2006 at a capacity of 3500 TCD and since then has been expanded to the present crushing capacity of 7000 TCD and co- generation facilities of 40 MW of power. The factory is ideally located with respect to the availability of raw material, water, skilled and unskilled manpower and infrastructural facilities. The site is around 27 Kms. From Bijnor city and the nearest railway station and town is Chandak which is about 5 kms. from the site. The site is also at a distance of 12 Kms. from NH 74.

#### Unit at Khaikheri

We have set up a sugar mill with an installed capacity of 4500 TCD along with co-generation capacity of 15 MW at village Khaikheri, Dist. Muzaffarnagar, Uttar Pradesh which commenced production in January 2007. The site is around 25 Kms. from the main city and the nearest railway station is Muzaffarnagar. The site is also at a distance of about 4 Kms. from the NH 58. The distance from the Company's unit at Libberheri (Tehsil Roorkee) is around 16 Kms. and from Bijnor is around 80 Kms.

### **Unit at Shermau**

We have set up a sugar mill with installed capacity of 6000 TCD alongwith co-generation capacity of 25 MW at village Shermau, Dist. Saharanpur, Uttar Pradesh which commenced production in April 2007. The site is around 40 Kms. from the main city and the nearest railway station is Saharanpur.

### **Manufacturing process - Sugar**

There are various technologies used for the manufacture of the sugar. The main technologies used in the manufacturing of sugar are Defeco Remelt Phospho floatation (DRP) Process, Double Sulphitation (DS) Process and Single Sulphitation and Remelt Clarification (SSRC) Process.

The sugar cane procured is weighed and unloaded on cane carrier through mechanical un-loaders. This cane carrier conveys the cane to chopper and then to cutter and fibrizer so as to convert the cane into fine fibers. The process is called as preparation of cane.

The prepared cane is crushed in multiple rollers milling tandem. Hot water is added before last mill so as to extract maximum quantity of juice from cane. Residue left is called bagasse, which is utilized as fuel to produce steam at 45 Kg/ cm<sup>2</sup> in high-pressure boilers. The steam is used for producing power for sugar factory's own consumption as well as export purpose. The juice received from mills is screened through juice screens and then weighed in load cell based juice weighing scale.

### **Defeco Remelt Phospho floatation (DRP) Process**

In this technology, the juice received from mills is screened through juice screens and then weighed in load cell based juice weighing scale. After weighment, it is passed through juice heaters where it is heated up to 70 degree centigrade after which it is neutralized by adding milk of lime and phosphoric acid. The treated juice is further heated to 103-105 degree centigrade and fed to juice clarifier where it is allowed to stay for 1.5 - 2 hours to allow impurities to settle down. Clear juice is decanted from top and dirty juice from bottom continuously. Dirty juice, which is also called muddy juice, is filtered in continuous vacuum filter after adding bagacilo, where remaining juice is extracted from mud, under vacuum. Mud is retained on vacuum filter screen from where it is dropped on a belt conveyor and conveyed to mud yard. Mud being good manure, is sold to farmers. The extracted juice is again sent to weighed juice tank for reprocess.

Clear juice from clarifier is concentrated in multiple effect evaporators working under differential vacuum conditions. The concentrated juice which is now called syrup is sent to pans for further concentration till such time the crystals start appearing. These crystals are further developed under controlled conditions in crystallizers.

Our sugar mill at Libberheri, Roorkee, Haridwar has adopted four massecuite boiling system i.e. A-1, A, B & C. The raw sugar is purged in 'A' continuous centrifugal machines where sugar crystals are separated from molasses. The sugar thus produced is melted with hot water, which is called raw melt. This melt is re-screened and sent for melt clarification treatment with the help of lime sucroete and phosphoric acid by froth flotation process. The scum is removed from the top and clear melt is taken for further filtration with the help of deep bed pre-filter and filter.

The clear filtrate received after deep bed filter is sent for de-colorization through Ion Exchange resins where color is removed and this solution is further sent for crystallization to pans. The concentration in pans is carried out to the extent that sugar crystals start appearing after which it is dropped in crystallizer for cooling of massecuite and developing the sugar crystals further.

After cooling of 'A-1' massecuite, it is passed through batch centrifugal machines for separating molasses from sugar crystals. The crystals are retained on screen and mother liquor is collected in tanks, which is again sent for reprocess.

The mother liquor coming out of 'A' centrifugal machines is again boiled in another vacuum pan for further crystallization after formation of crystals mass is dropped in crystallizer for cooling. Cooled massecuite is sent to 'B' continuous centrifugal machines for separation of crystals and mother liquor. Crystals are melted in melter and melt is sent to pans for crystallization.

The mother liquor from 'B' massecuite is again boiled in vacuum pans for further crystallization. Crystallized mass is called as 'C' massecuite. It is then sent to continuous crystallizer for cooling. Cooled 'C' massecuite is also cured in continuous centrifugal machines. The mother liquor separated from this massecuite is known as final molasses, which is stored in big steel tank. The final molasses is very useful by-product and used for production of alcohol. Crystals from 'C' massecuite are melted and sent to pans for crystallization.

After separation of sugar crystals through batch type refined sugar centrifugal machines from 'A-1' massecuite, the sugar is conveyed through hopper and fluidized bed drier to sugar elevator. Through elevator, the sugar is transferred to storage bins after separating various sizes of crystals of sugar in sugar sizer.

From the sugar bins, the sugar is bagged in poly or gunny bags as per the requirement after passing through automatic weighing and bagging machines. These bags are stitched by stitching machine and transferred to the sugar godown through various fixed & portable conveyers and stackers

### **Double Sulphitation (DS) Process**

This is the process adopted by the company at Barkatpur sugar mills. Juice received from mills is weighed, heated to 70° C and treated with lime & sulphur-dioxide in juice sulphitation vessel. Treated juice is again heated to 103°-105° C and sent to clarifier where juice is allowed to stay for 1.5-2 Hrs. to allow impurities to settle down. Clear juice is decanted from top and dirty juice from bottom continuously. Dirty juice (called muddy juice) is filtered in continuous vacuum filters where remaining juice is separated from mud under vacuum & mud is retained on filter screen. Mud being a good manure, is sold to farmers. Retained juice is again sent for treatment.

Clear juice from clarifier is concentrated in multiple effect evaporators working under vacuum. Concentrated juice is known as syrup. Syrup is treated with sulphur-dioxide in syrup sulphitators. Sulphited syrup is further concentrated under vacuum in vacuum pans. The concentration is carried out to the extent when crystals start appearing. These Crystals are developed in controlled conditions under vacuum. The mass so formed is called A-Massecuite. After assuring desired grain size massecuite is dropped in air-cooled crystallizers. After 2 hours of cooling, massecuite is sent to A-batch type centrifugal machines for separation of crystal & mother liquor.

Crystals are retained on screen and mother liquor is collected in tanks. This mother liquor is again boiled in another vacuum pan for further crystallization. After formation of crystals mass, is again dropped in B-continuous crystallizers for cooling. Cooled massecuite is sent to B-continuous centrifugals for separation of crystals & mother liquor. Crystals are melted in melter & melt is sent to pans for crystallizations.

This mother liquor from B-massecuite is again boiled in vacuum pans for further crystallization. Crystallized mass is called as C-massecuite. It is also sent to continuous crystallizers for cooling. Cooled C-massecuite is cured in continuous centrifugals. Mother liquor separated from this massecuite is known as final molasses. It is stored in big steel tank. It is very useful by product and is used to produce alcohol. Crystals from C-massecuite are melted in melter & sent to pans for crystallizations.

Crystals from 1st massecuite (A-massecuite) are washed in centrifugals, dried on hoppers and graded for different grain sizes in graders. Graded sugar is filled in gunny/poly bags and weighed and stitched and sent to godown for storage.

### **Defeco Remelt Phosphofloatation Process without Ion Exchange System.**

This is the process our company is adopting for our sugar units at Khaikheri & Shermau. Juice received from mill is weighed in load cell based scale, then heated to 70 Degree Centigrade in juice heaters and treated with lime in reaction tanks.

Treated juice is again heated to 1030 - 1050 Degree Centigrade and then sent to dorr clarifier where juice is allowed to stay for 1.5 - 2.0 hours to allow impurities to settle down. Clear juice decanted from top and dirty juice from bottom, continuously. Dirty juice called muddy juice is filtered in continuous vacuum filters where juice is separated from mud under vacuum and mud is retained on filter screen. It is scrapped through mud scrappers. Mud being a good manure, is sold to farmers. Retained juice is again sent for treatment.

Clear juice from clarifier is concentrated in multiple effect evaporators working under differential vacuum conditions. The concentrated juice which is now called syrup is sent to pans for further concentration till such time the crystals start appearing. It is known as massecuite. This massecuite is cooled in crystallizers. The factory is adopting six massecuite boiling system i.e. A, B, C, R1, R2 & R3.

We say “A” massecuite sugar as raw sugar which is received from the centrifugal machines after curing of “A” massecuite. This raw sugar is the melted and screened. Then this is known as raw melt. This raw melt is transferred to melt clarification system after passing it through the melt heater to heat it to 820 - 850 C and then to reaction tank, where we add lime succharate, phosphoric acid & flocculent. By adding these chemicals, floatation of impurities and dirt occurred known as scum which is scrapped form the top of the melt clarifier and the clear melt has been taken from the bottom coils of the melt clarifier.

The clear melt thus received is sent for crystallization to pans for final boilings. The concentration in pans is carried out to the extent that sugar crystals start appearing after which it is dropped in crystallizer for cooling of massecuite and developing the sugar crystals further.

After cooling of massecuite, it is passed through batch centrifugal machines for separating molasses from sugar crystals. The crystals are retained on screen and mother liquor is collected in run – off tanks, which is again sent for reprocess.

The mother liquor coming out of “A” centrifugal machines is again boiled in another vacuum pan for further crystallization. After formation of mass, known as “B” massecuite is again dropped into the crystallizers for cooling. This cooled massecuite is sent to “B” continuous centrifugal machines for separation of sugar crystals and mother liquor. Crystals are melted in melter and melt is sent to pans for crystallization.

The mother liquor coming out of “B” centrifugal machines is again boiled in another vacuum pan for further crystallization. After formation of mass, known as “C” massecuite is again dropped into the crystallizers for cooling. This cooled massecuite is sent to “C” continuous centrifugal machines for separation of sugar crystals and mother liquor known as final molasses and stored in big steel tank. This final molasses is very useful by – product and used for production of alcohol. Crystals are melted in melter and melt is sent to pans for crystallization.

After separation of sugar crystals through batch type sugar centrifugal machines from “R1” and “R2” massecuite, the sugar is conveyed through hopper and then to multi tray hopper to sugar elevator. Through elevator, the sugar is transferred to sugar sizers. These sugar sizers separates out various size of sugar. After sugar sizers, this sugar is stored in sugar bins. The mother liquor of “R1” massecuite is used in the formation of “R2” Massecuite. The mother liquor received from “R2” massecuite is being used for the formation of “R3” massecuite. This “R3” massecuite is being cured in continuous centrifugal machines. The sugar crystals received from “R3” Massecuite after curing is again remelted and transferred to pan floor for reformation of “R1” and “R2” massecuites. The mother liquor received from “R3” Massecuite is transferred for the formation of “A” Massecuite.

From the sugar bins, the sugar is bagged in poly or gunny bags as per the requirement after passing through automatic weighing and bagging machines. These bags are stitched by stitching machines and transferred to the sugar godown through fixed & portable conveyors. In sugar godown these sugar bags are stacked by sugar stackers.

### **Manufacturing Process: Co-Generation**

Cogeneration of surplus power by a sugar mill not only improves its economic viability but also its technical performance. These plants have low gestation period as compared to conventional power plants. These plants normally operate between mid November to April end. The average season days are considered as 165 days for sizing the surplus power generation project. The operation of cogeneration plant in brief is as under

In a sugar factory, after the cane is crushed and juice taken out in the mills, the residue of cane, which is known as bagasse is used as fuel for steam generation in boilers. The cane juice extracted from cane in the mills is sent for sugar manufacturing process which requires steam. The sugar factory also requires electric power to run the power driven equipment like pumps and prime movers of various equipment. The high-pressure steam is used in Turbo Alternators to generate electric power. The steam required for process is drawn from power turbine as exhaust steam or bled from intermediate stage of Turbine. Entire electric power requirement of factory is met by the power

generated in these Turbo Alternators. Excess power shall also be generated because of availability of bagasse and matching high-pressure boiler capacity.

#### **Manufacturing Process: Ethanol**

**Fermentation:** Molasses containing between 40% - 45% fermented sugars is taken into the Fermentation Tanks for processing. Water is thereby added to reduce the viscosity in Molasses. Yeast is then added and fermentation thereby commences. Yeast contains Bacteria which convert the sugars in the Molasses into Alcohol.

**Distillation:** Post Fermentation, we obtain Fermented Wash, and the same is further treated in various tanks. This liquid is then taken into the Distillation Columns for Separation and Purification. The first Column is the Primary Column where the Wash is treated to separate various volatile liquids and gasses. The second Column is Rectifier - I Column. As the name speaks, Alcohol and water separation commences. The third column is Dealdehyde column where the impure spirit (Dealdehyde and chemicals) is removed. The fourth column is Rectifier - II, which again rectifies the spirit further. The fifth Column is Hydro Extractive column where water is added to the distilled liquid for obtaining better quality alcohol. The sixth column is Defusel Column to separate the fusel oil from the liquid. The seventh column is Refining Column. The eighth column is Recovery column and the ninth column is Anhydrous Column to produce Ethanol. In the anhydrous column the final remains of water are absorbed by resins to produce complete dry ethanol which is compatible for mixing with petroleum to make fuel.

**Receiving & Storage:** The alcohol so derived is then received in tanks and stored in other storage tanks for distribution and sale.

**Bio Digester Section:** The liquid so derived after Distillation is called spent wash which is further processed for utilization. The Spent Wash is transferred into a Buffer Tank where the solids are allowed to settle and the thin liquid is fed into the Bio Digester Tank. With the help of agitators the liquid generates Methane Gas which is very useful as fuel for the Boiler. The balance liquid is then transferred to the Lagoon for storage. This is then fed into an Evaporator whereby the spent wash is dried upto 40% so that the resultant semi - solids can be mixed with Press mud and other ingredients, from the Sugar mill for Bio Composting. The manure so prepared is ideal for crops. In case the spent wash is dried upto 55% then it can be mixed with bagasse or husk and fed into the boiler for incineration.

#### **Effluent Treatment & Management Plan of Our Sugar Mills**

**Primary Treatment Plant:** The sugar mill effluent consists of various oils, grease and other materials generated during operations. The effluent is first passed through Primary Treatment Plant containing two sections. In the first section the screening of waste material is conducted and coarse and suspended materials are removed. In the second compartment Oils and Grease are trapped through a screen bar and gravity method. The said oil and grease so collected (negligible quantity) are burned away in the boiler.

**Equalization Tank:** The effluent is then passed into an Equalization Tank. Equalization of waste streams is essential for regulation and prevention of shock loads that are created by batch dumping of strong waste. This increases the temperature, ph, alkalinity, BOD and COD levels. The parameters of all are scaled down (reduced) and controlled with the use of lime and alum and then passed onto the Primary Mechanical Clarifier.

**Primary Mechanical Clarifier:** Due to the above chemical treatment, Sludge collects, which is separated from the liquid and then dried on sludge beds which can be used as land fills or brick manufacturing. Next the remaining effluent is transferred to the Aeration Tank.

**Aeration Tank:** Biological treatment of the effluent is necessary. Air is pumped into the waste water and with the help of micro organisms it is treated biologically. It is then transferred to the Secondary Mechanical Clarifier for filtration.

**Secondary Mechanical Clarifier:** Here the remaining sludge in the effluent is further collected and removed for drying on Sludge beds to be later used for land fills.

The balance liquid is then passed through Pressurized Sand Filters (Mix Beds) for removing suspended solids. The solid sludge which is trapped in the sand filters is removed periodically and dried and used. The remaining water so

derived is free from waste and is then recirculated into the aeration tank for reprocessing and the cycle thereby continues. The above system is followed by all our sugar mills situated at Libberheri, Barkatpur, Khaikheri and Shermau and is as per the prescribed norms of the Pollution Control Board.

### Property

We have our registered office located at Village Libberheri, Tehsil Roorkee, District Haridwar, Uttarakhand - 247 667. Besides this, we have a corporate office located at Noida, India.

The following properties are owned by us, where we are operating our plants. Further our Registered Office is situated at Libberheri, one of the locations where our plant is located.

Location	Area (in hectare)	Nature of property	Capacity of the Sugar Mill
Libberheri Unit Village Libberheri, Tehsil Roorkee, Distt. Haridwar, Uttarakhand	25.82	Freehold	6250 TCD
Barkatpur Unit Village: Barkatpur, Tehsil: Nazibabad, Distt.: Bijnor, Uttar Pradesh	47.39	Freehold	8500 TCD
Khaikheri Unit, Village : Khaikheri, Tehsil : Muzaffarnagar, Distt: Muzaffarnagar, Uttar Pradesh	40.49	Freehold	4500 TCD
Shermau Unit, Village: Tehsil Nakur, Distt: Saharanpur, Uttar Pradesh	27.67	Freehold	6000 TCD

### Insurance

We maintain insurance policies with leading Indian insurers. All our principal places of business, including our sugar mills and godowns are covered by insurance. Our plant and machinery such as mills, , boiler, pressure vessels, godown and office equipment are covered by Building, Plant and Machinery Insurance, fire and special perils insurance policies, boiler and pressure plant policies & machinery Insurance. We also maintain business interruption insurance and terrorism is specifically excluded from all our policies. The total coverage under all our policies as of November 20, 2011 was Rs. 175976 Lacs.

### Intellectual Property

We do not own any intellectual property.

## HISTORY AND CORPORATE STRUCTURE

### History and major events

Our Company was incorporated as Associated Sugar Mills Limited on October 04, 1993 and was granted Letter of Intent on March 31, 1994 by Government of India for setting up a new sugar factory of 2500 Tonnes Crushing per day in Roorkee, Uttarakhand. The erstwhile promoters of the Company were Mr. M K Swarup and his family / associates. The Company received the Certificate for Commencement of business on April 8, 1994.

In October 1998, Adlakha family, along with their associates, acquired the 100% shareholding in the Company from the erstwhile promoters and gained overall control of our Company. Subsequent to this, the name of our Company was changed to Uttam Sugar Mills Limited and a fresh Certificate of the Incorporation was obtained on November 24, 1998 from the Additional Registrar of Companies N.C.T. of Delhi and Haryana. The Registered Office of our Company was shifted from Delhi to the State of Uttarakhand on November 02, 2007 and received the Certificate for shifting of Registered Office to Uttarakhand on November 27, 2007.

### Main Objects

The Main objects as per the Memorandum of Association of our Company are as under:

1. To purchase, manufacture, produce, boil, refine, prepare, import, export, self and generally to deal in sugar, sugar-candy, sugar-beet, sugar-cane, molasses, syrups, alcohol, sprits, liquors and all sugar products such as confectionery, glucose, canned fruit, golden syrup and aerated waters and/or by-products such as bagasse, boards, paper pulp, paper alcohol, acetone, carbon dioxide, hydrogen, potash, can wax and fertilizers and food products generally.
2. To cultivate, plant produce and raise or purchase sugar-cane, sorghum, sugar-beet, sago, palmyra juice and other crops.

Our present Promoters are Raj Kumar Adlakha, Rajan Adlakha, Ranjan Adlakha, Uttam Industrial Engineering Limited, Uttam Sucrotech Limited, Lipi Boilers Limited, Uttam Adlakha & Sons Holdings Pvt. Ltd. (formerly known as G M Colonisers Pvt Ltd.), New Castle Finance & Leasing Pvt Ltd, Shubham Sugars Ltd, Bharat Adlakha, Saieesha Adlakha, Sonia Adlakha, Rajan Adlakha, Raj Kumar Adlakha (Karta of R K Sons HUF), Shomna Adlakha, Jai Adlakha, Rajni Babbar, Ranjana Chopra, Balram Adlakha and Shanta.

We set up our first sugar unit at village Libberheri, Tehsil Roorkee, Distt. Haridwar, Uttarakhand in 2001 for manufacturing sugar using double sulphitation process with a capacity of 2500 TCD along-with co-generation facilities of 6 MW of power. Our Company commenced commercial production from January 2001. In subsequent years the capacity of the plant was enhanced in phases to 6250 TCD and co-generation facilities of 16 MW of power by 2004. The Company also implemented process upgradation by installing Defeco Remelt Phosphotation (DRP) process to manufacture better quality crystal sugar with low sulphur content.

In 2005, we expanded our capacity by setting up another sugar mill in Barkatpur with a capacity of 3500 TCD and co-generation power plant of 10 MW.

In January 2006, the Company set up second unit at Barkatpur, Dist. Bijnor, Uttar Pradesh with installed capacity of 7000 TCD using the conventional double sulphitation process alongwith co-generation of power with a capacity of 22 MW.

In March 2006, we came out with an initial public offering of 40,00,000 equity shares of face value Rs. 10/- each at a premium of Rs. 330/- per share to part finance the new sugar mills and co-generation facilities at Khaikheri and Shermau. For further enhancing the manufacturing capacity, the Company undertook a project to set up two new sugar units at Khaikheri, District Muzaffarnagar (UP) of 4500 TCD (Unit III) with co-generation facilities of 15 MW; and Shermau District Saharanpur (UP) with capacity of 5000 TCD (Expandable to 7000 TCD) with co-generation of 30 MW.

In order to create Integrated Sugar Facilities and to de-risk the business from profit variations and to achieve higher returns over complete business cycle, in January 2007, the company planned another expansion-cum-diversification scheme envisaging expansion of its co-generation capacities at three units, enhancement of crushing capacity of

Barkatpur and Shermau units and setting up an Ethanol Distillery at Barkatpur. The total cost of the above project was envisaged at Rs. 263.36 crore, out of which only the debt of 110.50 crore was tied up from the consortium of lenders led by IDBI (the other lender included State Bank of India, Indian Overseas Bank and Oriental Bank of Commerce). SDF did not sanction loan of Rs. 87 crore to the Company and on account of delay in financial closure, the project could not be implemented in time.

In March 2009, the Company approached its lenders for comprehensive restructuring under CDR. The proposal referred by IDBI to CDR and was admitted by CDR on April 22, 2009. IDBI was appointed as Monitoring Institution and final restructuring proposal was approved by CDR-EG in October 2009. As per the CDR package, implementation of the project was kept in abeyance. Date of completion of Barkatpur project was revised to October 2010. The CDR package was sanctioned and implemented by all lenders. The Company made trial run of both the projects in April 2011.

However during sugar season 2009-2010, the financial performance of the company was adversely affected due to sharp decrease in sugar prices in the second half of sugar season ended June 2010 which resulted in a loss of Rs. 4406 Lacs in FY 2010. The Company again approached its lenders for additional funding of Rs. 11000 Lacs in the form of Term Loan to bridge the working capital gap. IDBI (the Monitoring Institution) has assessed the gap of Rs. 10800 Lacs on the basis of loss on stock of sugar season 2009-2010. The CDR-EG at its meeting held on August 12, 2011 approved the funding of Working Capital gap of Rs. 10800 Lacs. Of the total amount, IDBI Bank agreed to grant Rupee Term Loan (RTL) of Rs. 800 Lacs towards its share of WC gap. Further Punjab National Bank approved the sanction of Working Capital Term Loan (WCTL) of Rs. 4500 Lacs and IOB approved Rs. 944 Lacs under CDR in favour of the Company. The Lenders asked for 25% of gap as promoter contribution.

### i. **Basis of Accounting:**

The Company follows the Mercantile System of Accounting and recognizes Income and Expenditure on Accrual Basis. The financial statements are prepared under the historical cost convention and are in accordance with the requirements of Companies Act, 1956, applicable Accounting Standards and accepted accounting principles.

### ii. **Tangible, Intangible Assets and Capital Work in Progress:**

Intangible Assets are stated at cost less accumulated Depreciation. Cost of acquisition or construction is inclusive of freight, duties, taxes and incidental expenses incurred during construction period.

Capital Work-in-Progress comprises cost of fixed assets that are not ready for its intended use at the reporting date. Expenditure during construction period that are directly attributable to the cost of bringing the assets to its working conditions and all common costs allocated on rational basis are treated as 'Pre-Operative Expenses' pending allocation and are shown under 'Capital Work-in Progress' and the same are allocated on pro-rata basis to the assets capitalized on commencement of commercial operations.

Items of expenditure that meet the recognition criteria as mentioned in Accounting Standard are classified as intangible Assets.

### iii. **Depreciation/Amortization :**

Depreciation on tangible assets have been provided on Straight Line Method at the rates in the manner specified in Schedule XIV to the Companies Act, 1956. Low value items costing individually Rs.5,000/- or less are fully depreciated in the year of purchase. Depreciation is charged on pro-rata basis in respect of assets acquired/sold during the year.

Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life.

Leasehold Building Developments are amortized at lower of period of lease or ten years.

Intangible Assets are amortised over a period of economic benefits not exceeding ten years.

### iv. **Impairment of Assets:**

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to profit and loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

### v. **Leases :**

Assets acquired under finance lease are recognized at the lower of the fair value of leased assets at inception and the present value of minimum lease payments, lease payments are apportioned between the finance charges and the reduction of the outstanding liability. The finance charges are allocated to the period during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

In respect of fixed assets taken on finance lease, when there is reasonable certainty that the Company will obtain ownership by the end of the lease term, depreciation is provided in accordance with the policy followed by the Company for owned assets.

vi. **Inventories:**

Inventories (other than By-products) are valued at lower of cost or net realizable value.

Cost of inventories is determined on weighted average. Cost of finished goods and Work in Progress has been worked out on absorption cost basis.

By- products and residuals are valued at net realizable value.

vii. **Taxes on Income:**

- a) Current tax is determined on the amount of tax payable in respect of taxable income for the year.
- b) Deferred tax assets/liabilities are provided on significant timing differences arising from the different treatments in accounting and taxation of relevant items. Deferred tax assets/liabilities shall be reviewed as at each Balance Sheet date, based on development during the year, to reassess realization/liabilities.
- c) Deferred Tax Assets in respect of Accumulated Loss and Unabsorbed Depreciation are recognized and carried forward only if there is virtual certainty of its realization.
- d) Deferred Tax resulting from timing difference which originate during the tax holiday period but are expected to reverse after tax holiday period is recognized in the year in which the timing differences originate using the tax rates and laws enacted or substantively enacted by the balance sheet date.
- e) Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will be in a position to avail such credit under the provisions of the Income Tax Act, 1961.

viii. **Revenue Recognition :**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and revenue can be reliably measured. The Company recognizes sale of goods when the significant risks and rewards of ownership are transferred to the customer.

Sales include Excise Duty, Administrative Charges & Entry Tax etc and exclude Sales Tax/Value Added Tax.

Revenue from sale of power is recognized when the units generated are transmitted to the pooling station, in accordance with the terms and conditions of the power purchase agreement entered into by the Company with the purchasing parties.

Interest Income is accounted on accrual basis.

ix. **Borrowing Costs:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such assets, when such asset is ready for its intended use. All other borrowing costs are charged to revenue.

x. **Foreign Currency Transactions:**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction. Monetary items denominated in foreign currencies at the year end translated at the year end rates which is likely to be realized from, or required to disburse at the balance sheet date. Exchange differences arising on settlement of monetary items at rates different from those at which they were initially recorded / reported in financial statements are recognized as income or expense in the year in which they arise except exchange differences on

liabilities/assets incurred for acquisition of fixed assets from outside India which are capitalized/ decapitalised. Premium in respect of forward contract is accounted for over the period of the contract.

**xi. Provisions, Contingent Liabilities and Contingent Assets:**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. 44. After considering sufficient availability of raw materials and the sugar inventory available with the company for disposal as well as, the fact that there is a substantial increase in cogeneration capacity backed by agreement for supply of power with State Government and starting of operations of Distillery unit in the beginning of next financial year, resulting into de-risking of the business operations. The Company, out of the total unrecognized Deferred Tax assets on account of unabsorbed business loss and unabsorbed depreciation as a matter of abundant caution has during the year recognized deferred tax assets only on account of unabsorbed depreciation aggregating to Rs.2500 lacs to the extent of future reversal of Deferred Tax Liability and virtual certainty in accordance with Accounting Standard (AS) – 22 on 'Accounting for Taxes on Income'.
45. The financial statements are prepared under the historical cost convention and are in accordance with the requirements of Companies Act, 1956, applicable Accounting Standards and accepted accounting principles including the principle of going concern despite erosion of more than fifty percent of net worth as the promoters have committed to provide continued financial and operational support to the company for its successful operations in the foreseeable future. Also the management expects improvement in the business results in the year ended March 31, 2013 to continue in the foreseeable future primarily due to the fact that there is ,substantial increase in cogeneration capacity backed by agreement for supply of power unit with State Government, starting of operations of distillery plant in the beginning of next financial year and better sugar realization, the Financial statements have, therefore, been prepared on going concern basis.

46. The company has identified certain fixed assets which are being retired from active use and are being held for sale as on balance sheet date and the management is confident to dispose off these assets in next financial year. Accordingly these assets have been written down to net realizable value, based on best estimates available with the company and have been disclosed as Other Current Assets under the head 'Fixed assets held for disposal'.
47. The previous year figures have been re-arranged, regrouped and reclassified wherever necessary and the figures are rounded off to nearest rupee lacs.

2.		Case Crime No. 02 of 2010	<p>F.I.R was lodged against Pasa Biswas (former employee/ occupier of USML, Barkatpur) and Sandeep Kumar (Weighment clerk in USML, Barkatpur) on 12.01.2010 by Birendra Nath (Senior Cane Development Society, Barkatpur) District Bijnor as Case Crime No . 02 of 2010, Under Section 420, 418, 264, 265 of I.P.C at Police station Nagal, District Bijnor alleging that on inspection of Mill Gate Weigh Bridge No.3 and comparison of same with Manual Weigh Bridge, there was difference in weight. Report further alleged that In-charge of the mill refused to give inspection register of Manual Weigh Bridge and from the above act it is clear that Occupier with Weighment Clerk is making loss to the cane growers. In response to said F.I.R, a writ petition (no. 938 of 2010) was filed in the Hon'ble High Court of Allahabad for quashing the impugned FIR dated 12.01.2010 and stated that on 07.01.2010 employees of sugar mill went on strike and forcibly locked the sugar mill gate also damaged the Manual Weigh Bridge, on 08.01.2010 regarding the above incident Sugar mill intimated to Cane Inspector and assistant commissioner (cane), Bijnor and also stated in the letter that till intimation regarding manual weigh bridge , it should be deemed to be disorder. Hence entire allegation made in F.I.R is frivolous and baseless. The Hon'ble Court vide its order dated 30.04.2012 disposed the petition by directing that the petitioners shall not be arrested till the submission of the police report in the court u/s 173 (2) of the Cr.P.C. However the Hon'ble High Court refused the prayer for quashing the FIR.</p>	Not ascertainable	Petition has been disposed off by granting stay on arrest but the prayer for quashing the FIR is refused.

4	Uttam Sugar Mills Ltd Vs State of U.P & Others	CMWP 3491/2007 High Court at Allahabad.	The Khasra bearing no 1243 at Khaikheri Project site of the Company having an area 0.143 Hec belongs to Mr Rambhool. Sec 161 of Uttar Pradesh Zamindari Abolition Act & Land Reforms Act, 1950, provides for the exchange of land for which permission is required from the concerned Assistant Collector. An application has been filed by the Company, jointly with Mr. Rambhool, with the Assistant Collector, Muffarnagar. On the said application a report was called from Naib Tahsildar and other authorities. During the enquiry it was found that the land is registered as Talab in the revenue records. According to the above report, the recommendation was made for cancellation of allotted land in favour of Mr. Rambhool and for exchanging the same with the Company on the condition that the Company shall provide 0.143 Hec. of land in exchange to the Gram Sabha for making pond. Ignoring these recommendations the SDM, Sadar, Muzaffarnagar rejected our application. Thereafter a revision application was made before Commissioner, Saharanpur that has been rejected by him. The SDM Court, Muzafarnagar has accepted our stay application vide its order dated 08/05/2008.Hence a Writ Petition was filed before the Hon'ble High Court, at Allahabad.	Not Ascertainable	Counter has been called from the respondents by the High Court, at Allahabad.

5.	Uttam Sugar Mills Ltd. vs. State of UP and others.	Special Leave Petition (C) No. 18846 of 2005, Supreme Court of India, the case is converted to Civil Appeal 5957/2005	<p>This Special Leave Petition has been filed by USML in the Supreme Court of India, seeking to challenge the judgment and final order dated 11.5.2005 passed by the High Court of Allahabad. USML was not a party before the High Court but it claims that the impugned order of the High Court may affect its rights therefore, the Petitioner be permitted to challenge the order of the High Court.</p> <p>It is the case of USML that after the creation of the State of Uttaranchal, the cane centres which were originally with the Petitioner (the Petitioner is now in Uttaranchal) were deleted from being reserved for the Petitioner by the UP Government's order passed through the Cane Commissioner. It is further the case of the Petitioner that in an identical case filed by Laxmi Sugar Mills, which is identically situated like the Petitioner, in Uttaranchal, the Special Secretary, Government of UP had heard the appeals filed by Laxmi Sugar Mills and vide its order dated 5<sup>th</sup> January 2005 had set aside the reservation/assignment order dated 8.10.2004 so far as it pertained in favour of Respondent No. 3 i.e. Triveni Engineering &amp; Industries Limited.</p> <p>Aggrieved by the aforesaid order dated 5<sup>th</sup> January 2005, Triveni Engineering &amp; Industries Limited filed Writ Petition No. 9105 of 2005 in the High Court of Allahabad and by the impugned order, while allowing the writ petition, the High Court held that Laxmi Sugar Mills had no legal claim to seek reservation/assignment of sugarcane areas situated within the State of UP as Laxmi Sugar Mills was situated outside the territorial limits of the State of UP, thus Laxmi Sugar Mills had no legal right to file an appeal against the order of reservation/assignment passed by the Cane Commissioner of UP.</p> <p>It is the case of the Petitioner that although it was not a party before the High Court, however, if the impugned order of the High Court is allowed to be sustained than it may affect the rights of the Petitioner too since it is identically situated in Uttaranchal, just like Laxmi Sugar Mills.</p>	Not ascertainable	<p>The case is pending before the Supreme Court and notice has been issued to the Respondent. Based on Memorandum of Understanding dt 19.03.2001 as extended under G.O. dt 29.10.2004 read along with the provisions of section 60/87 of the U.P. Reorganisation Act, 2000 &amp; various other Grounds of Appeal, the S. C granted Stay on High Court Order.</p> <p>The Supreme Court has further directed that the present matter be tagged with Special Leave Petition No. 13912 of 2005, which has been filed by Laxmi Sugar Mills. The matter has been placed before Chief Justice of India for constitution of Larger Bench.</p>

6	Uttam Sugar Mills Ltd. Vs. State of Uttar Pradesh & Others	Civil Misc. Writ Petition No.4729 (MB) of 2007; High Court, Allahabad, Luknow Bench.	USML filed a writ petition in the Hon'ble High Court of Allahabad for quashing the recovery proceedings against the Uttam Sugar Mills Limited & for passing necessary instructions to the Government of U.P. to consider USML's application dated 12/04/2007 for capital subsidy which is due to USML under the Sugar Promotion Incentive Scheme 2004 of U.P. Government. The first part of the writ petition has since been settled because of the general order dated 27/02/2008 of the Hon'ble Supreme Court favoring sugar mills situated in the state of U.P. & directing therein to the state government of U.P. not to charge any recovery charges from these sugar mills.	Not ascertainable.	The case is pending in High court, Allahabad. However, USML are, now, going to request the Hon'ble High court to permit the Company for withdrawing of the this writ petition and to file a fresh writ petition for getting the capital subsidy and other benefits under the Sugar Promotion Incentive Scheme 2004 of U.P. Government.

7	Uttam Sugar Mills Ltd. & others vs. State of Uttarakhand & others—  Appeal against writ petition no.204/08 (M/B) & 205/08 (M/B) of High Court of Uttarakhand.	Special Leave Petition (Civil) No. 10516-10517 of 2008, Supreme Court of India, the case is converted to Civil Appeal 3996-3997/2009	The fact of the case is that the state government notified the State Advised Price for the sugar mills of the state of Uttarakhand. Several writ petitions were filed before the Allahabad High court by the Sugar Mills of U.P. challenging the State Advised Price for the crushing season 2006-07 & 2007-08. In this batch of petitions the High court by way of interim order has fixed the State Advised Price of the sugarcane at Rs. 110/- per quintal. However vide notification dated 23/01/08, the state Government of Uttarakhand has fixed the purchase price of sugarcane at Rs. 132/- per quintal for early maturing variety and Rs. 127/- per quintal for the normal variety for the crushing season 2007-08. Aggrieved by this State Advised Price, the petitioners have filed writ petitions before the Uttarakhand High court at Nainital, challenging the above State Advised Price of the purchase of the cane. The High court at Nainital, however, dismissed these writ petitions and upheld the above said notification dtd 23/01/08 & also notification dtd 28/12/08. Aggrieved by this. USML & others have filed a Special Leave Petition with Supreme court, to appeal against the final judgment dt 31/03/08 passed by the High Court of Uttarakhand vide which the High court has dismissed the writ petition no. 204 of 2008(M/B) for the crushing season 2007-08 and writ petition no.205 of 2008(M/B) for the crushing season 2006-07. It is also prayed in the petition for intrim relief as to stay the operation and effect of the impugned order and judgement dtd 31/03/08 passed by the High court of Uttarakhand in the above said writ petitions and also to restrain the respondents from taking coercive steps against the petitioners.	Amount not ascertainable	The Supreme Court, as an interim order dtd 15/05/2008, has directed, inter alia, that for the crushing season 2007-08, the rate fixed by the Lucknow bench, Allahabad High Court shall be applicable to the sugar mills in Uttarakhand. Therefore, the sugar mills in Uttarakhand shall pay the amount payable at the rate fixed by the Lucknow bench, Allahabad High court after adjustment of amount already paid. The matter has been placed before the Chief Justice of India for constitution of Larger Bench.

44.	USML V/s The Controller of Molasses-cum-Excise Commissioner, Uttar Pradesh, Allahabad and others.	WRIT TAX No. - 858 of 2012	USML has filed a writ petition in the Hon'ble High Court of Allahabad for challenging the alleged demand of administrative charges on transfer of molasses from sugar units to Barkatpur distillery unit as captive consumption. USML Barkatpur has its own distillery, and the molasses produced in all the sugar units of the company is utilized in the aforesaid distillery. Sub Inspector (Excise), prohibited transfer of molasses without depositing the administrative charges. USML had twice deposited Rs. 1,10,000/- under protest for transfer of 10000 quintals each. The said demand of authorities has been challenged number of times in various writ petitions and the same has been decided by the high court as unconstitutional demand. USML through this writ prays to issue an order in the nature of mandamus restraining the respondents from undertaking any coercive measure to recover the said alleged demand and to refund the amount deposited under protest. In the last hearing on 06.07.2012, the Hon'ble High Court ordered that the respondent may raise the demand of 'Administrative Charges' but shall not take any coercive steps to recover the said amount.	Not ascertainable	The case is pending in High court, Allahabad for want of counter affidavit from the respondents.

The monies would be refunded within fifteen days from the closure of the Issue, and if there is a delay beyond eight days from the stipulated period, our Company will pay interest on the monies in terms of the section 73 of the Companies Act.

**For Equity Shareholders wishing to apply through ASBA process for rights issues, kindly refer section titled “Procedure for Application through the Applications Supported By Blocked Amount (“ASBA”) Process” on page no. 186 of this Letter of Offer.**

**Rights entitlement ratio**

As your name appears as beneficial owner in respect of Equity Shares held in electronic form or appear in the register of members as an Equity Shareholder of the Company as on September 7, 2012, i.e. Book Closure Date, you are entitled to the number of Equity Shares set out in Part A of the enclosed CAF.

The Equity Shares are being offered on rights basis to the existing Equity Shareholders of the Company in the ratio of 12 Equity Shares for every 25 Equity Shares held as on Book Closure Date.

**Fractional entitlements**

The Equity Shares are being offered on a rights basis to the existing Equity Shareholders of our Company in the ratio of 12 Equity Shares for every 25 Equity Shares held as on the Book Closure. For Equity Shares being offered on a rights basis under this Issue, if the shareholding of any of the Equity Shareholders is less than 25 Equity Shares or is not in multiple of 25, the fractional entitlement of such Equity Shareholders shall be ignored for computation of the Rights Entitlement. However, Equity Shareholders whose fractional entitlements are being ignored earlier will be given preference in the allotment of one additional Equity Share each, if such Equity Shareholders have applied for additional Equity Shares.

Those Equity Shareholders holding less than 2 Equity Shares and therefore entitled to zero Equity Shares under this Issue shall be dispatched a CAF with zero entitlement. Such Equity Shareholders are entitled to apply for additional Equity Shares. However, they cannot renounce the same in favour of any third parties. CAF with zero Entitlement will be non-negotiable /non-renunciable.

**Arrangement for Odd Lot Equity Shares**

The Company has not made any arrangements for the disposal of odd lot Equity Shares arising out of this Issue. The Company will issue certificates of denomination equal to the number of Equity Shares being allotted to the Equity Shareholder.

**Market lot**

**The Equity Shares of the Company is tradable only in dematerialized form.** The market lot for Equity Shares in dematerialized mode is one.

In case of holding in physical form, the Company would issue to the allottees one certificate for the Equity Shares allotted to one folio ("Consolidated Certificate"). In respect of the Consolidated Certificate, the Company will, upon receipt of a request from the Equity Shareholder, split such Consolidated Certificate into smaller denomination within one month's time from the request of the Equity Shareholder in accordance with the provisions of the Articles of Association.

**Nomination facility**

In terms of Section 109A of the Act, nomination facility is available in case of Equity Shares. The applicant can nominate any person by filling the relevant details in the CAF in the space provided for this purpose. Only one nomination would be applicable for one folio. Hence, in case the Equity Shareholder(s) has already registered the nomination with the Company, no further nomination needs to be made for Equity Shares to be allotted in this Issue under the same folio.

**In case the allotment of Equity Shares is in dematerialised form, there is no need to make a separate nomination for the Equity Shares to be allotted in this Issue. Nominations registered with respective DP of the applicant would prevail. If the applicant requires change in the nomination, they are requested to inform their respective DP.**

**Restrictions on transfer and transmission of shares and on their consolidation / splitting**

There are no restrictions on transfer and transmission and on their consolidation / splitting of shares issued pursuant to this Issue.

**Minimum Subscription**

If the Issuer does not receive the minimum subscription of ninety percent of the issue, the entire subscription shall be refunded to the applicants within fifteen days from the date of closure of the Issue. If there is delay in the refund

of subscription by more than 8 days after the company becomes liable to pay the subscription amount (i.e. fifteen days after closure of the issue), the company will pay interest for the delayed period, at rates prescribed under sub-sections (2) and (2A) of Section 73 of the Companies Act, 1956.

The Issue will become under-subscribed, if the number of shares applied for falls short of the number of shares offered, after considering the number of shares applied for as per the entitlement plus additional shares.

The Issue is underwritten to the extent of entitlement of the non promoter shareholders in case the Issue is under-subscribed.

For further details please refer to section titled “Basis of Allotment” beginning on page 192 of this Letter of Offer.

### **Joint-Holders**

Where two or more persons are registered as the holders of any Equity Shares, they shall be deemed to hold the same as joint-tenants with benefits of survivorship subject to provisions contained in the Articles of Association of the Company.

### **Offer to non-resident equity shareholders / applicants**

Applications received from NRIs and non-residents for allotment of Equity Shares shall be inter alia, subject to the conditions imposed from time to time by the RBI under the Foreign Exchange Management Act, 1999 (FEMA) in the matter of receipt and refund of application moneys and the allotment of Equity Shares, issue of letter of allotment / share certificates, dividends, etc. General permission has been granted to any person resident outside India to purchase shares offered on rights basis by an Indian company in terms of FEMA and regulation 6 of notification No. FEMA 20/2000-RB dated May 3, 2000. The Board may at its absolute discretion, agree to such terms and conditions as may be stipulated by RBI while approving the allotment of the Equity Shares, payment of dividend etc. to the non-resident shareholders. The Equity Shares purchased by non-residents shall be subject to the same conditions including restrictions in regard to the repatriability as are applicable to the original shares against which rights shares are issued.

FIIIs will not need permission of the FIPB / RBI for investment in the Issue to the extent of their Rights Entitlement. However, in case of applications from such entities in excess of their Rights Entitlement, allotment will be subject to restrictions under applicable laws, including existing ceilings on FII holdings in the Company and the sectoral caps on FDI in the Company, as applicable.

Letter of Offer and CAF to non resident Equity Shareholders shall be dispatched only to their address mentioned in the Register of Members in India as provided under Section 53 of the Companies Act.

### **Notices**

All notices to the Equity Shareholder(s) required to be given by the Company shall be published in one English national daily with wide circulation and one Hindi national daily with wide circulation and one regional language daily newspaper with wide circulation at the place where registered office of the Company is situated and / or will be sent by ordinary post to the registered holders of the Equity Share from time to time.

### **Issue of duplicate equity share certificate**

If any Equity Share certificate(s) is / are mutilated or defaced or the cages for recording transfers of Equity Shares are fully utilized, the Company against the surrender of such certificate(s) may replace the same, provided that the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any Equity Share certificate(s) is / are destroyed, stolen, lost or misplaced, then upon production of proof thereof to the satisfaction of the Company and upon furnishing such indemnity / surety and / or such other documents as the Company may deem adequate, duplicate Equity Share certificate(s) shall be issued.

### **Option to subscribe Equity Shares in dematerialized form**

Applicants to the Equity Shares of the Company issued through this Issue shall be allotted the securities in dematerialized form at the option of the applicant. The CAF shall contain space for indicating number of shares applied for in demat and physical form or both. Investor will have to give the relevant particulars for this purpose in

the appropriate place in the CAF. Applications, which do not accurately contain this information, will be given the securities in physical form. No separate applications for securities in physical and/or dematerialized form should be made.

Responsibility for correctness of information filled in the CAF vis-à-vis such information with the applicant's depository participant, would rest with the applicant. Applicants should ensure that the names of the applicants and the order in which they appear in CAF should be the same as registered with the applicant's depository participant.

The Equity Shares pursuant to this Offer allotted to Investors opting for dematerialized form, would be directly credited to the beneficiary account as given in the CAF after verification. Allotment advice / refund order, if any would be sent directly to the applicant by the Registrar to the Issue. Renounees will also have to provide the necessary details about their beneficiary account for allotment of securities in this Issue in demat form. In case these details are incomplete or incorrect, the application is liable to be rejected.

**INVESTORS MAY PLEASE NOTE THAT THE EQUITY SHARES OF THE COMPANY CAN BE TRADED ON THE STOCK EXCHANGES ONLY IN DEMATERIALIZED FORM.**

#### **Issue procedure**

The CAF would be printed in black ink for all shareholders. In case the original CAF is not received by the applicant or is misplaced by the applicant, the applicant may request the Registrars to the Issue, Link Intime India Private Limited, for issue of a duplicate CAF, by furnishing the registered folio number, DP ID Number, Client ID Number and their full name and address. The applicant can renounce the right to apply for equity shares offered either in full or in part in favour of any other person or persons. Such renounees can only be in of favour of Indian Nationals / Limited Companies incorporated under and governed by the Act, statutory corporations / institutions, trusts (unless registered under the Indian Trust Act), minors (through their legal guardians), societies (unless registered under the Societies Registration Act, 1860 or any other applicable laws) provided that such trust / society is authorised under its constitution / bye laws to hold equity shares in a company and cannot be a partnership firm, more than three persons including joint-holders, HUF, foreign nationals (unless approved by RBI or other relevant authorities) or to any person situated or having jurisdiction where the offering in terms of this Letter of Offer could be illegal or require compliance with securities laws.

#### **Option available to the Equity Shareholders**

The Composite Application Form clearly indicates the number of Equity Shares that the Equity Shareholder is entitled to. Equity Shareholder shall have the following options:

- Apply for his entitlement in full;
- Apply for his entitlement in full and apply for additional Equity Shares;
- Apply for his entitlement in part;
- Apply for his entitlement in part and renounce the other part;
- Renounce his entire entitlement.

#### **Additional equity shares**

The equity shareholders are eligible to apply for additional equity shares provided the applicant has applied for all the equity shares offered to him without renouncing them in full or in part.

The application for the additional equity shares shall be considered and allotment shall be made at the sole discretion of the Board and in consultation if necessary with the Designated Stock Exchange. This allotment of additional equity shares will be made on equitable basis with reference to number of shares held by the applicant on the book closure date.

Renounees for Equity Shares can apply for the Equity Shares renounced to them and also apply for additional Equity Shares.

#### **Renunciation**

This Issue shall be deemed to include a right exercisable by you to renounce the Equity Shares offered to you either in full or in part in favour of any other person or persons subject to the approval of the Board. Such renounees can only be Indian Nationals (including minor through their natural / legal guardian) / limited companies incorporated

under and governed by the Act, statutory corporations / institutions, trusts (registered under the Indian Trust Act), societies (registered under the Societies Registration Act, 1860 or any other applicable laws) provided that such trust/society is authorized under its constitution / bye laws to hold equity shares in a company and cannot be a partnership firm, foreign nationals or nominees of any of them (unless approved by RBI or other relevant authorities) or to any person situated or having jurisdiction where the offering in terms of this Letter of Offer could be illegal or require compliance with securities laws of such jurisdiction or any other persons not approved by the Board.

Any renunciation from Resident Indian Shareholder(s) to Non-Resident Indian(s) or from Non-Resident Indian Shareholder(s) to other Non-Resident Indian(s) or from Non-Resident Indian Shareholder(s) to Resident Indian(s) is subject to the renouncer(s) / renounee(s) obtaining the approval of the FIPB and / or necessary permission of the RBI under the Foreign Exchange Management Act, 1999 (FEMA) and other applicable laws, as may be required and such permissions should be attached to the CAF. Applications not accompanied by the aforesaid approval are liable to be rejected.

By virtue of the Circular No. 14 dated September 16, 2003 issued by the RBI, Overseas Corporate Bodies (“OCBs”) have been derecognized as an eligible class of investors and the RBI has subsequently issued the Foreign Exchange Management (Withdrawal of General Permission to Overseas Corporate Bodies (OCBs)) Regulations, 2003. Accordingly, the existing Equity Shareholders of the Company who do not wish to subscribe to the Equity Shares being offered but wish to renounce the same in favour of renounees, shall not renounce the same (whether for consideration or otherwise) in favour of OCB(s). Your attention is drawn to the fact that the Company shall not allot and / or register any Equity Shares in favor of:

- More than three persons including joint holders
- Partnership firm(s) or their nominee(s)
- Minors
- Any Trust or Society (unless the same is registered under the Societies Registration Act, 1860 or any other applicable Trust laws and is authorized under its Constitutions to hold Equity Shares of a Company)

The right of renunciation is subject to the express condition that the Board / Committee of Directors shall be entitled in its absolute discretion to reject the request for allotment to renounee(s) without assigning any reason thereof.

#### **Procedure for renunciation**

##### **To renounce the whole offer in favour of one renounee**

If you wish to renounce the offer indicated in Part A, in whole, please complete Part B of the CAF. In case of joint holding, all joint holders must sign Part B of the CAF. The person in whose favor renunciation has been made should complete and sign Part C of the CAF. In case of joint renounees, all joint renounees must sign Part C of the CAF.

##### **To renounce in part/or renounce the whole to more than one person(s)**

If you wish to either accept this offer in part and renounce the balance or renounce the entire offer in favour of two or more renounees, the CAF must be first split into requisite number of forms.

Please indicate your requirement of split forms in the space provided for this purpose in Part D of the CAF and return the entire CAF to the Registrar to the Issue so as to reach them latest by the close of business hours on the last date of receiving requests for split forms. On receipt of the required number of split forms from the Registrar, the procedure as mentioned in paragraph above shall have to be followed.

In case the signature of the Equity Shareholder(s), who has renounced the Equity Shares, does not agree with the specimen registered with the Company, the application is liable to be rejected.

##### **Renounee(s)**

The person(s) in whose favour the Equity Shares are renounced should fill in and sign Part C of the Application Form and submit the entire Application Form to the Bankers to the Issue on or before the Issue Closing Date along with the application money.

### Change and/ or introduction of additional holders

If you wish to apply for Equity Shares jointly with any other person(s), not more than three, who is/are not already a joint holder with you, it shall amount to renunciation and the procedure as stated above for renunciation shall have to be followed. Even a change in the sequence of the name of joint holders shall amount to renunciation and the procedure, as stated above shall have to be followed.

### Please note that:

- Part A of the CAF must not be used by any person(s) other than those in whose favour this Issue has been made. If used, this will render the application invalid.
- Request by the applicant for the Split Application Form should reach the Company on or before September 27, 2012.
- Only the person to whom this Letter of Offer has been addressed to and not the renounee(s) shall be entitled to renounce and to apply for Split Application Forms. Forms once split cannot be split again.
- Split form(s) will be sent to the applicant(s) by post at the applicant's risk.

### How to Apply

Applications should be made on the enclosed CAF provided by the Company. The enclosed CAF should be completed in all respects, as explained in the instructions indicated in the CAF. Payment(s) must be made by cheque/demand draft and drawn on any bank (including a co-operative bank) which is situated at and is a member or a sub-member of the Bankers' Clearing House located at the centre where the CAF is submitted. A separate cheque/draft must accompany each CAF. Only one mode of payment should be used. Money orders, postal orders and outstation cheques will not be accepted and applications accompanied by any such instruments will be rejected. Shareholders/Applicants residing at places other than those mentioned in the CAF and applicants who wish to send their applications but not having collection centres should send their application by Registered Post, only to the Registrar to the Issue enclosing a Cheque / Demand draft, net of bank charges and postal charges, drawn on a clearing Bank and payable at Mumbai only before the closure of the issue.

Such cheque / drafts should be payable to "USML - Rights Issue". All cheque/ drafts must be crossed 'A/c Payee only'. No receipt will be issued for the application money received. However, the Collection Centre receiving the application will acknowledge receipt of the application by stamping and returning the acknowledgement slip at the bottom of each CAF. The Company is not responsible for any postal delay/ loss in transit on this account.

#### **Mode of payment for Non-Resident Equity Shareholders/ Applicants**

As regards the application by non-resident Equity Shareholders, the payment must be made by demand draft / cheque payable at Mumbai (net of demand draft charges and postal charges) or funds remitted from abroad in any of the following ways:

##### **1. Application with repatriation benefits**

- (a) By Indian Rupee drafts purchased from abroad and payable at Mumbai or funds remitted from abroad (submitted along with Foreign Inward Remittance Certificate); or
- (b) By cheque / demand draft on a Non-Resident External Account (NRE) or FCNR Account maintained and drawn on Mumbai; or
- (c) By Rupee draft purchased by debit to NRE/ FCNR Account maintained elsewhere in India and payable at Mumbai; or
- (d) FIIs registered with SEBI must remit funds from special non-resident rupee deposit account.
- (e) Non resident investors applying with repatriation benefits should draw cheques / drafts in favour of "USML - Rights Issue NR" payable at Mumbai and must be crossed "account payee only" for the full application amount.

A separate cheque or bank draft must accompany each application form. Investors may note that where payment is made by drafts purchased from NRE/FCNR accounts as the case may be, an Account Debit Certificate from the bank issuing the draft confirming that the draft has been issued by debiting the NRE/FCNR account should be enclosed with the CAF. In the absence of the above the application shall be considered incomplete and is liable to be rejected. In the case of non-residents who remit their application money from funds held in FCNR / NRE Accounts, refunds and other disbursements, if any shall be credited to such account details of which should be furnished in the appropriate columns in the CAF.

In the case of NRIs who remit their application money through Indian Rupee Drafts from abroad, refunds and other disbursements, if any will be made in US Dollars at the rate of exchange prevailing at such time subject to the permission of RBI. Our Company will not be liable for any loss on account of exchange rate fluctuation for converting the Rupee amount into US Dollars or for collection charges charged by the Investor's Bankers.

## **2. Application without repatriation benefits**

As far as non-residents holding shares on non-repatriation basis is concerned, in addition to the modes specified above, payment may also be made by way of cheque drawn on Non-Resident (Ordinary) Account maintained in Mumbai or Rupee Draft purchased out of NRO Account maintained elsewhere in India but payable at Mumbai. In such cases, the allotment of Rights Equity Shares will be on non-repatriation basis.

All cheques/demand drafts submitted by nonresidents applying on Non-Repatriation basis should be drawn in favour of the Bankers to the Issue and marked "USML - Rights Issue" payable at Mumbai and must be crossed "Account Payee only" for the amount payable. The CAF duly completed together with the amount payable on application must be deposited with the Collecting Bank indicated on the reverse of the CAF before the close of banking hours on or before the Issue Closing Date. A separate cheque or bank draft must accompany each CAF. Applicants may note that where payment is made by drafts purchased from NRE / FCNR / NRO accounts as the case may be, an Account Debit Certificate from the bank issuing the draft confirming that the draft has been issued by debiting the NRE / FCNR / NRO account should be enclosed with the CAF. Otherwise the application shall be considered incomplete and is liable to be rejected.

### **Note:**

- In case where repatriation benefit is available, interest, dividend, sales proceeds derived from the investment in Equity Shares can be remitted outside India, subject to tax, as applicable according to IT Act.
- In case Equity Shares are allotted on non-repatriation basis, the dividend and sale proceeds of the Equity Shares cannot be remitted outside India.
- The CAF duly completed together with the amount payable on application must be deposited with the Collecting Bank indicated on the reverse of the CAFs before the close of banking hours on or before the Issue Closing Date. A separate cheque or bank draft must accompany each CAF.
- In case of an application received from non-residents, allotment, refunds and other distribution, if any, will be made in accordance with the guidelines / rules prescribed by RBI as applicable at the time of making such allotment, remittance and subject to necessary approvals.
- Our Company is not responsible for any delay / loss in transit on this account and applications received through mail after closure of the Issue are liable to be rejected.
- Applications through mail should not be sent in any other manner except as mentioned above. The CAF along with the application money must not be sent to our Company or the Lead Manager or the Registrar except stated otherwise. The Investors are requested to strictly adhere to these instructions.

- In case of Joint Holders, all joint holders must sign the relevant parts of the Application Form in the same order and as per the specimen signatures recorded with the Company.
- In case of joint applicants, refunds and all payments will be made to the person whose name appears first on the application form and all communications will be addressed to him/her. To prevent any fraudulent encashment of refund orders by third parties, the Sole/First Applicant must indicate Saving / Current Account number and the name of the bank and its branch with whom such account is held in the space provided in the CAF for the purpose so that Refund Orders are printed with these details after the name. Applications without this information are liable to be rejected.
- The Application Form should be presented to the Bank in its entirety. If any of the Part(s) A, B, C and D of the Application Form(s) is /are detached or separated, such application will forthwith be rejected.
- All shareholders must submit the CAF along with remittance only to the Bankers to the Issue mentioned elsewhere in this Letter of Offer and not to the Company, the Registrar or the Lead Manager.
- Any dispute or suit action or proceedings arising out of or in relation to this Letter of Offer or in respect of any matter or thing herein contained and claimed by either party against the other shall be instituted or adjudicated upon or decided solely by the appropriate Court where Registered Office of the Company is situated.
- The last date for receipt of CAF alongwith the amount payable is October 4,2012. However, the Board will have the right to extend the same for such period as it may determine from time to time, but not exceeding 30 days from the date of opening of the subscription list. If the CAF together with the amount payable thereunder is not received by the bankers to the issue on or before the closure of the banking hours on the aforesaid date, or such date as may be extended by the Board, the offer contained in this Letter of Offer shall be deemed to have

been declined and the Board shall be at liberty to dispose the Rights hereby offered. For further instructions please read CAF carefully.

### **PROCEDURE FOR APPLICATION THROUGH THE APPLICATIONS SUPPORTED BY BLOCKED AMOUNT ("ASBA") PROCESS**

**This section is only to facilitate better understanding of aspects of the procedure which is specific to ASBA Investors. ASBA Investors should nonetheless read this document in entirety. Shareholders who are eligible to apply under the ASBA Process are advised to make their independent investigations and ensure that the number of Equity Shares applied for by such Shareholder do not exceed the applicable limits under laws or regulations.**

The Company and the Lead Manager are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Letter of Offer. Equity Shareholders who are eligible to apply under the ASBA Process are advised to make their independent investigations and ensure that the number of Equity Shares applied for by such Equity Shareholders do not exceed the applicable limits under laws or regulations. The lists of banks that have been notified by SEBI to act as SCSB for the ASBA Process are provided on <http://www.sebi.gov.in/pmd/scsb.pdf>. For details on designated branches of SCSBs collecting the CAF, please refer the above mentioned link.

### **ASBA Process**

An ASBA Investor can submit his application through CAF / plain paper, either in physical or electronic mode, to the SCSB with whom the bank account of the ASBA Investor or bank account utilised by the ASBA Investor is maintained. The SCSB shall block an amount equal to the application amount in the ASBA Account specified in the CAF, physical or electronic, on the basis of an authorisation to this effect given by the account holder at the time of submitting the CAF. The application data shall thereafter be uploaded by the SCSB in the web enabled interface of the Stock Exchanges as prescribed under circular issued by SEBI -SEBI/CFD/DIL/DIP/38/2009/08/20 dated August 20, 2009 or in such manner as may be decided in consultation with the Stock Exchanges. The amount payable on application shall remain blocked in the ASBA Account until finalisation of the Basis of Allotment and consequent

transfer of the amount against the allocated Equity Shares to the separate account opened by the Company for Rights Issue or until failure of the Issue or until rejection of the ASBA application, as the case may be. Once the basis of Allotment is finalized, the Registrar to the Issue shall send an appropriate request to the Controlling Branch for unblocking the relevant ASBA Accounts and for transferring the amount allocable to the successful ASBA Investors to the separate account opened by the Company for Rights Issue. In case of withdrawal/failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

**The Lead Manager, our Company, its directors, affiliates, associates and their respective directors and officers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to applications accepted by SCSBs, Applications uploaded by SCSBs, applications accepted but not uploaded by SCSBs or applications accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for applications uploaded by SCSBs, the amount payable on application has been blocked in the relevant ASBA Account.**

“Please note that in terms of **SEBI Circular No. CIR/CFD/DIL/1/2011 dated April 29, 2011** QIB applicants and other applicants whose application amount exceeds Rs. 200,000 can participate in the Issue only through the ASBA process provided such applicants are eligible ASBA Investor.”

### **Equity Shareholders who are eligible to apply under the ASBA Process**

The option of applying for Equity Shares in the Issue through the ASBA Process is only available to Shareholders of the Company on the Book Closure Date and who:

- Is holding Equity Shares in dematerialised form and has applied for entitlements or additional Securities in the Issue in dematerialised form;
- Have not renounced his entitlements in full or in part;
- Are not renounees
- Who applies through a bank account with one of the SCSBs.

### **CAF**

The Registrar will dispatch the CAF to all Equity Shareholders as per their entitlement on the Book Closure Date for the Issue. Equity Shareholders desiring to use the ASBA Process are required to submit their applications by selecting the ASBA Option in Part A of the CAF only. Application in electronic mode will only be available with such SCSB who provides such facility. The Equity Shareholder shall submit the CAF/plain paper application to the SCSB for authorising such SCSB to block an amount equivalent to the amount payable on the application in the said bank account maintained with the same SCSB. The Equity Shareholder shall submit the CAF to the SCSB for authorizing such SCSB to block an amount equivalent to the amount payable on the application in the said bank account maintained with the same SCSB.

Equity Shareholders applying under the ASBA Process are also advised to ensure that the CAF is correctly filled up, stating therein the bank account number maintained with the SCSB in which an amount equivalent to the amount payable on application as stated in the CAF will be blocked by the SCSB.

### **Application on Plain Paper**

An Equity Shareholder who has neither received the original CAF nor is in a position to obtain a duplicate CAF and wanting to apply under ASBA process may make an application to subscribe for the Issue on plain paper. The application on plain paper, duly signed by the applicants including joint holders, in the same order as per specimen recorded with the Company, must be submitted at a designated branch of a SCSB on or before the Issue Closing Date and should contain the following particulars:

- Name of the issuer, being Uttam Sugar Mills Limited;
- Name and address of the Equity Shareholder, including any joint holders;
- Registered folio number / DP ID number and client ID number;
- Number of Equity Shares held as on the Book Closure Date;

- Rights Entitlement;
- Number of Equity Shares applied for;
- Number of additional Equity Shares applied for, if any;
- Total number of Equity Shares applied for;
- Savings / Current Account Number alongwith name and address of the SCSB and Branch from which the money will be blocked ;
- The permanent account number (PAN) of the Equity Shareholder and where relevant, for each joint holder, except in respect of Central and State Government officials and officials appointed by the court (e.g., official liquidators and court receivers) who, in terms of a SEBI circular dated June 30, 2008, may be exempt from specifying their PAN for transacting in the securities market, subject to submitting sufficient documentary evidence in support of their claim for exemption, provided that such transactions are undertaken on behalf of the Central and State Government and not in their personal capacity;
- Signature of the Equity Shareholders to appear in the same sequence and order as they appear in the records of our Company;
- In case of Non Resident Shareholders, NRE / FCNR / NRO A/c no., name and address of the SCSB and Branch
- In the application, the ASBA Investor shall, inter alia, give the following confirmations/declarations:
  - A) That he / she is an ASBA Investor as per the SEBI ICDR Regulations and
  - B) That he / she has authorized the SCSBs to do all acts as are necessary to make an application in the Issue, upload his / her application data, block or unblock the funds in the ASBA Account and transfer the funds from the ASBA Account to the separate account maintained by the Company for Rights Issue after finalization of the basis of Allotment entitling the ASBA Investor to receive Equity Shares in the Issue etc

The Equity Shareholder shall submit the plain paper application to the SCSB for authorising such SCSB to block an amount equivalent to the amount payable on the application in the said bank account maintained with the same SCSB.

If an applicant makes an application in more than one mode i.e both in the Composite Application Form and on plain paper, then both the applications may be liable for rejection.

#### **Acceptance of the Issue**

You may accept the Issue and apply for the Equity Shares offered, either in full or in part, by filling Part A of the CAF sent by the Registrar, selecting the ASBA process option in Part A of the CAF and submit the same to the SCSB before the close of the banking hours on or before the Issue Closing Date or such extended time as may be specified by the Board of Directors of the Company in this regard.

#### **Mode of payment**

The Shareholder applying under the ASBA Process agrees to block the entire amount payable on application (including for additional Equity Shares, if any) with the submission of the CAF, by authorizing the SCSB to block an amount, equivalent to the amount payable on application, in a bank account maintained with the SCSB. After verifying that sufficient funds are available in the bank account provided in the CAF, the SCSB shall block an amount equivalent to the amount payable on application mentioned in the CAF until it receives instructions from the Registrar. Upon receipt of intimation from the Registrar, the SCSBs shall transfer such amount as per Registrar's instruction allocable to the Shareholders applying under the ASBA Process from bank account with the SCSB mentioned by the Shareholder in the CAF. This amount will be transferred in terms of the SEBI ICDR Regulations into the separate bank account maintained by the Company as per the provisions of section 73(3) of the Companies Act, 1956. The balance amount remaining after the finalisation of the basis of allotment shall be either unblocked by the SCSBs or refunded to the investors by the Registrar on the basis of the instructions issued in this regard by the Registrar to the Issue and the Lead Managers to the respective SCSB.

The Shareholders applying under the ASBA Process would be required to block the entire amount payable on their application at the time of the submission of the CAF.

The SCSB may reject the application at the time of acceptance of CAF if the bank account with the SCSB details of which have been provided by the Shareholder in the CAF does not have sufficient funds equivalent to the amount

payable on application mentioned in the CAF. Subsequent to the acceptance of the application by the SCSB, the Company would have a right to reject the application only on technical grounds.

“Please note that in terms of **SEBI Circular No. CIR/CFD/DIL/1/2011 dated April 29, 2011** QIB applicants and other applicants whose application amount exceeds Rs. 200,000 can participate in the Issue only through the ASBA process provided such applicants are eligible ASBA Investor.”

**Options available to the Shareholder applying under the ASBA Process**

The summary of options available to the Shareholders is presented below. You may exercise any of the following options with regard to the Equity Shares offered, using the CAF received from Registrar:

<b>Sr. No.</b>	<b>Option Available</b>	<b>Action Required</b>
1.	Accept whole or part of your entitlement without renouncing the balance.	Fill in and sign Part A of the CAF (All joint holders must sign)
2.	Accept your entitlement in full and apply for additional Equity Shares	Fill in and sign Part A of the CAF including Block III relating to the acceptance of entitlement and Block IV relating to additional Equity Shares (All joint holders must sign)

**The Shareholder applying under the ASBA Process will need to select the ASBA option process in the CAF and provide required details as mentioned therein. However, in cases where this option is not selected, but the CAF is tendered to the SCSB with the relevant details required under the ASBA process option and SCSB blocks the requisite amount, then that CAF would be treated as if the Shareholder has selected to apply through the ASBA process option.**

**Additional Equity Shares**

The equity shareholder is eligible to apply for additional Equity Shares over and above the number of Equity Shares that he is entitled too, provided that he has applied for all the Shares offered without renouncing them in whole or in part in favour of any other person(s). Applications for additional shares shall be considered and allotment shall be made at the sole discretion of the Board, in consultation with the Designated Stock Exchange and in the manner prescribed under “Basis of Allotment” on page 192 of this Letter of Offer.

If you desire to apply for additional shares, please indicate your requirement in the place provided for additional Securities in Part A of the CAF.

**Renunciation under the ASBA Process**

Renouncees cannot participate in the ASBA Process.

**Last date of Application**

The last date for submission of the duly filled in CAF is October 4, 2012. The Issue will be kept open for a minimum of 15 (Fifteen) days and the Board or any committee thereof will have the right to extend the said date for such period as it may determine from time to time but not exceeding 30 (thirty) days from the Issue Opening Date i.e. September 20, 2012. If the CAF together with the amount payable is not received by the SCSB on or before the close of banking hours on the aforesaid last date or such date as may be extended by the Board of Directors, the offer contained in this Letter of Offer shall be deemed to have been declined and the Board of Directors shall be at liberty to dispose off the Equity Shares hereby offered, as provided under “Basis of Allotment” on page 192 of this Letter of Offer.

**Option to receive Securities in Dematerialized Form**

**SHAREHOLDERS UNDER THE ASBA PROCESS MAY PLEASE NOTE THAT THE EQUITY SHARES OF THE COMPANY UNDER THE ASBA PROCESS CAN ONLY BE ALLOTTED IN DEMATERIALIZED FORM AND TO THE SAME DEPOSITORY ACCOUNT IN WHICH THE EQUITY SHARES ARE BEING HELD ON BOOK CLOSURE DATE.**

**Issuance of Intimation Letters**

Upon approval of the basis of Allotment by the Designated Stock Exchange, the Registrar to the Issue shall send the Controlling Branches, a list of the ASBA Investors who have been allocated Equity Shares in the Issue, along with:

- The number of Equity Shares to be allotted against each successful ASBA;
- The amount to be transferred from the ASBA Account to the separate account opened by the Company for Rights Issue, for each successful ASBA;
- The date by which the funds referred to in para above, shall be transferred to separate account opened by the Company for Rights Issue; and
- The details of rejected ASBAs, if any, along with reasons for rejection to enable SCSBs to unblock the respective ASBA Accounts.

### **General instructions for Shareholders applying under the ASBA Process**

- (a) Please read the instructions printed on the CAF carefully.
- (b) Application should be made on the printed CAF / plain paper and should be completed in all respects. The CAF found incomplete with regard to any of the particulars required to be given therein, and / or which are not completed in conformity with the terms of this Letter of Offer are liable to be rejected. The CAF / plain paper application must be filled in English.
- (c) The CAF / plain paper application in the ASBA Process should be submitted at a Designated Branch of the SCSB and whose bank account details are provided in the CAF and not to the Bankers to the Issue/Collecting Banks (assuming that such Collecting Bank is not a SCSB), to the Company or Registrar or Lead Manager to the Issue.
- (d) All applicants, and in the case of application in joint names, each of the joint applicants, should mention his/her PAN number allotted under the Income-Tax Act, 1961, irrespective of the amount of the application except for applications on behalf of the Central or State Government and the officials appointed by the Courts. CAFs / plain paper application without PAN will be considered incomplete and are liable to be rejected.
- (e) All payments will be made by blocking the amount in the bank account maintained with the SCSB. Cash payment is not acceptable. In case payment is affected in contravention of this, the application may be deemed invalid and the application money will be refunded and no interest will be paid thereon.
- (f) Signatures should be either in English or Hindi or in any other language specified in the Eighth Schedule to the Constitution of India. Thumb impression and Signatures other than in English or Hindi must be attested by a Notary Public or a Special Executive Magistrate under his/her official seal. The Equity Shareholders must sign the CAF /plain paper application as per the specimen signature recorded with the Company / Depositories.
- (g) In case of joint holders, all joint holders must sign the relevant part of the CAF / plain paper application in the same order and as per the specimen signature(s) recorded with the Company. In case of joint applicants, reference, if any, will be made in the first applicant's name and all communication will be addressed to the first applicant.
- (h) All communication in connection with application for the Securities, including any change in address of the Equity Shareholders should be addressed to the Registrar to the Issue prior to the date of allotment in this Issue quoting the name of the first / sole applicant Shareholder, folio numbers and CAF number.
- (i) Only the person or persons to whom Securities have been offered and not renouncee(s) shall be eligible to participate under the ASBA process.

### **Do's:**

- (a) Ensure that the ASBA Process option is selected in part A of the CAF and necessary details are filled in. In case of non-receipt of the CAF, the application can be made on plain paper with all necessary details as required under the para "Application on plain paper" appearing under the procedure for application under ASBA.
- (b) Ensure that you submit your application in physical mode only. Electronic mode is only available with certain SCSBs and not all SCSBs and you should ensure that your SCSB offers such facility to you.
- (c) Ensure that the details about your Depository Participant and beneficiary account are correct and the beneficiary account is activated as Equity Shares will be allotted in the dematerialized form only.
- (d) Ensure that the CAF / plain paper application is submitted at the SCSBs whose details of bank account have been provided in the CAF / plain paper application.
- (e) Ensure that you have mentioned the correct bank account number in the CAF / plain paper application.
- (f) Ensure that there are sufficient funds (equal to {number of Equity Shares applied for} X {Issue Price per Equity Shares as the case may be}) available in the bank account maintained with the SCSB mentioned in the CAF / plain paper application before submitting the CAF to the respective Designated Branch of the SCSB.

- (g) Ensure that you have authorised the SCSB for blocking funds equivalent to the total amount payable on application mentioned in the CAF / plain paper application, in the bank account maintained with the respective SCSB, of which details are provided in the CAF / plain paper application and have signed the same.
- (h) Ensure that you receive an acknowledgement from the SCSB for your submission of the CAF / plain paper application in physical form.
- (i) Except for bids on behalf of the Central or State Government and the officials appointed by the Courts, each applicant should mention their Permanent Account Number (“PAN”) allotted under the Income Tax Act.
- (j) Ensure that the name(s) given in the CAF / plain paper application is exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case the CAF is submitted in joint names, ensure that the beneficiary account is also held in same joint names and such names are in the same sequence in which they appear in the CAF / plain paper application.
- (k) Ensure that the Demographic Details are updated, true and correct, in all respects.

**Don'ts:**

- (a) Do not apply on duplicate CAF after you have submitted a CAF / plain paper application to a Designated Branch of the SCSB.
- (b) Do not pay the amount payable on application in cash, money order or by postal order.
- (c) Do not send your physical CAFs / plain paper application to the Lead Manager to Issue / Registrar / Collecting Banks (assuming that such Collecting Bank is not a SCSB) / to a branch of the SCSB which is not a Designated Branch of the SCSB / Company; instead submit the same to a Designated Branch of the SCSB only.
- (d) Do not submit the GIR number instead of the PAN as the application is liable to be rejected on this ground.
- (e) Do not instruct their respective banks to release the funds blocked under the ASBA Process.

“Please note that in terms of **SEBI Circular No. CIR/CFD/DIL/1/2011 dated April 29, 2011** QIB applicants and other applicants whose application amount exceeds Rs. 200,000 can participate in the Issue only through the ASBA process provided such applicants are eligible ASBA Investor.”

**Grounds for Technical Rejection for ASBA Process:**

In addition to the grounds listed under “Grounds for Technical Rejection” mentioned on page 186 of this Letter of Offer, applications under ASBA Process may be rejected on following additional grounds:

- (a) Application for entitlements or additional shares in physical form.
- (b) DP ID and Client ID mentioned in CAF / plain paper application not matching with the DP ID and Client ID records available with the Registrar.
- (c) Sending CAF / plain paper application to the Lead Manager / Issuer / Registrar / Collecting Bank (assuming that such Collecting Bank is not a SCSB) / to a branch of a SCSB which is not a Designated Branch of the SCSB / Company.
- (d) Renounee applying under the ASBA Process.
- (e) Insufficient funds are available with the SCSB for blocking the amount.
- (f) Funds in the bank account with the SCSB whose details are mentioned in the CAF / plain paper application having been frozen pursuant to regulatory orders.
- (g) Account holder not signing the CAF / plain paper application or declaration mentioned therein.
- (h) Application on split form.

“Please note that in terms of **SEBI Circular No. CIR/CFD/DIL/1/2011 dated April 29, 2011** QIB applicants and other applicants whose application amount exceeds Rs. 200,000 can participate in the Issue only through the ASBA process provided such applicants are eligible ASBA Investor.”

**Depository account and bank details for Shareholders applying under the ASBA Process**

**IT IS MANDATORY FOR ALL THE SHAREHOLDERS APPLYING UNDER THE ASBA PROCESS TO RECEIVE THEIR EQUITY SHARES IN DEMATERIALIZED FORM. ALL SHAREHOLDERS APPLYING UNDER THE ASBA PROCESS SHOULD MENTION THEIR DEPOSITORY PARTICIPANT'S NAME, DEPOSITORY PARTICIPANT IDENTIFICATION NUMBER AND BENEFICIARY ACCOUNT NUMBER IN THE CAF / PLAIN PAPER APPLICATION. SHAREHOLDERS**

**APPLYING UNDER THE ASBA PROCESS MUST ENSURE THAT THE NAME GIVEN IN THE CAF / PLAIN PAPER APPLICATION IS EXACTLY THE SAME AS THE NAME IN WHICH THE DEPOSITORY ACCOUNT IS HELD. IN CASE THE CAF / PLAIN PAPER APPLICATION IS SUBMITTED IN JOINT NAMES, IT SHOULD BE ENSURED THAT THE DEPOSITORY ACCOUNT IS ALSO HELD IN THE SAME JOINT NAMES AND ARE IN THE SAME SEQUENCE IN WHICH THEY APPEAR IN THE CAF / PLAIN PAPER APPLICATION.**

**Shareholders applying under the ASBA Process should note that on the basis of name of these Shareholders, Depository Participant's name and identification number and beneficiary account number provided by them in the CAF / plain paper application, the Registrar to the Issue will obtain from the Depository demographic details of these Shareholders such as address, bank account details for printing on refund orders / advice and occupation ("Demographic Details"). Hence, Shareholders applying under the ASBA Process should carefully fill in their Depository Account details in the CAF / plain paper application.**

These Demographic Details would be used for all correspondence with such Shareholders including mailing of the letters intimating unblock of bank account of the respective Shareholder. The Demographic Details given by Shareholders in the CAF / plain paper application would not be used for any other purposes by the Registrar. Hence, Shareholders are advised to update their Demographic Details as provided to their Depository Participants. By signing the CAF / plain paper application, the Shareholders applying under the ASBA Process would be deemed to have authorised the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records.

**Letters intimating allotment and unblocking or refund (if any) would be mailed at the address of the Shareholder applying under the ASBA Process as per the Demographic Details received from the Depositories. Refunds, if any, will be made directly to the bank account in the SCSB and which details are provided in the CAF and not the bank account linked to the DP ID. Shareholders applying under the ASBA Process may note that delivery of letters intimating unblocking of bank account may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Shareholder in the CAF / plain paper application would be used only to ensure dispatch of letters intimating unblocking of bank account.**

**Note that any such delay shall be at the sole risk of the Shareholders applying under the ASBA Process and none of the SCSBs, Company or the Lead Manager shall be liable to compensate the Shareholder applying under the ASBA Process for any losses caused to such Shareholder due to any such delay or liable to pay any interest for such delay.**

In case no corresponding record is available with the Depositories that matches three parameters, namely, names of the Shareholders (including the order of names of joint holders), the DP ID and the beneficiary account number, then such applications are liable to be rejected.

#### **Disposal of Investor Grievances**

All grievances relating to the ASBA may be addressed to the Registrar to the Issue, with a copy to the SCSB, giving full details such as name, address of the applicant, number of Equity Shares applied for, Amount blocked on application, account number of the ASBA Bank Account and the Designated Branch or the collection centre of the SCSB where the CAF / plain paper application was submitted by the ASBA Investors.

#### **BASIS OF ALLOTMENT**

The basis of allotment shall be finalized by the Committee of Directors of the Company authorized in this behalf by the Board of the Company. The Committee of Directors will proceed to allot the equity Share in consultation with Designated Stock Exchange in the following order of priority.

- a) Full allotment to those Equity Shareholders who have applied for their rights entitlement either in full or in part and also to the renouncee(s) who has / have applied for Equity Shares renounced in their favor, in full or in part.
- b) For equity shares being offered on rights basis under this issue, if the shareholding of any of the equity shareholder is less than 25 equity shares or is not in multiple of 25, the fractional entitlement of such holders will be ignored. Shareholders whose fractional entitlements are ignored would be given preference for allotment

of one additional equity share, if they apply for additional shares. Allotment under this head shall be considered if there are any unsubscribed equity shares after allotment under (a) above. If the number of equity shares required for allotment under this head are more than number of shares available after allotment under (a) above, the allotment would be made on a fair and equitable basis in consultation with the Designated Stock Exchange.

- c) Equity Shareholders who having applied for all the Equity Shares offered to them and have also applied for additional Equity Shares, the allotment of such additional Equity Shares will be made as far as possible on an equitable basis having due regard to the number of Equity Shares held by them on the Book Closure Date, provided there is an under-subscribed portion after making full allotment in (a) above. The allotment of such Equity Shares will be made on a fair and equitable basis in consultation with the Designated Stock Exchange.
- d) Allotment to the renounees who having applied for the Equity Shares renounced in their favour have also applied for additional Equity Shares, provided there is an under-subscribed portion after making full allotment in (a), (b) and (c) above. The allotment of such additional Equity Shares will be made on a proportionate basis at the sole discretion of the Committee of Directors but in consultation with the Designated Stock Exchange, as a part of the Issue and not as preferential allotment.
- e) Allotment to any other person as the Board may in its absolute discretion deem fit provided there is surplus available after making full allotment under (a), (b) (c) and (d) above.
- f) The Company shall not retain any over-subscription.

After taking into account allotment to be made under (a), (b) (c) and (d) above, if there is any unsubscribed portion, then the same shall be underwritten by the underwriter appointed for the Issue to the extent of the entitlement of the public shareholders.

#### **Underwriting**

Our Company has entered into an underwriting agreement dated July 27, 2012 with Underwriters for underwriting the issue to the extent of entitlement of non promoter shareholding. The fulfilment of obligations by the Underwriters shall be subject to the assured subscription having been brought in by the Promoters and the Promoter Group i.e. Rights Issue Equity Shares subscribed by the Promoters and Promoter Group pursuant to their entitlements. The Underwriter mentioned in the table below have agreed to underwrite for amounts specified below at a price equal to the Issue Price announced by the Company:

<b>Name and Address of the underwriter</b>	<b>Amount Underwritten (Rs. In Lacs)</b>
<b>CORPORATE PROFESSIONALS CAPITAL PRIVATE LIMITED</b> D-28, South Extn., Part I, New Delhi - 110049 <b>Contact Person:</b> Mr. Manoj Kumar/Ms. Ruchi Hans <b>Ph.:</b> 91-11-40622228/51 <b>Fax:</b> 91-11-40622201 <b>Email:</b> manoj@indiacp.com / ruchi@indiacp.com <b>SEBI Regn. No:</b> INM000011435	687.50

Our Company has ensured that the Underwriters have sufficient resources to enable them to discharge their underwriting obligations in full.

#### **The following are the main terms of the above referred Underwriting Agreement –**

- The Company has agreed that the Underwriter shall only be required to perform its obligations pursuant to the Underwriting Agreement if the complete subscription by the Promoter of its entitlement i.e. 75% of the Issue, is brought atleast one day prior to the Issue Closing Date.
- The Underwriter shall be free to procure itself or procure purchasers for, the shares devolved upon it, in accordance with the provisions of applicable laws, to discharge their underwriting obligations.
- The Registrar / Company shall, within the time prescribed, provide written notice (the "Devolvement Notice") to Underwriter of the shares devolved upon it. The Company shall make available to the Underwriter, the manner of computation of the shares devolved.

- Underwriter shall, within the prescribed time, procure subscriptions for such unsubscribed shares of public portion at Issue Price.

#### **Allotment / Refund Order**

In case of those shareholders who have opted to receive their Right Entitlement Shares in dematerialised form by using electronic credit under the depository system, an advice regarding the credit of the Equity Shares shall be given separately. Applicants to whom refunds are made through electronic transfer of funds will be sent a letter through ordinary post intimating them about the mode of credit of refund within 15 working days of closure of Issue.

In case of those applicants who have opted to receive their Rights Entitlement in physical form, the Company will issue the corresponding share certificates under section 113 of the Companies Act or other applicable provisions, of any.

The allotment advice/letters of allotment and refund orders for Applicants not applying through ASBA process will be sent by registered post / speed post or through such other mode that may be permitted, to the sole/first applicant's registered address in India. Such refund orders will be payable at par at all places where the applications were originally accepted. The same will be marked "A/c payee only" and will be drawn in favor of the sole/first applicant. Adequate funds will be made available to the Registrar to the Issue for this purpose.

The Company shall ensure at par facility is provided for encashment of refund orders / pay orders at the places where applications are accepted.

#### **Mode of payment of refund**

Applicants should note that on the basis of name of the applicants, Depository Participant's name, Depository Participant-Identification number and Beneficiary Account Number provided by them in the Composite Application Form, the Registrar to the Issue will obtain from the Depositories, the applicant's bank account details including nine digit MICR code. Hence, applicants are advised to immediately update their bank account details as appearing on the records of the depository participant. Please note that failure to do so could result in delays in credit of refunds to applicants at the applicant's sole risk and neither the Lead Manager nor the Company shall have any responsibility and undertake any liability for the same.

The payment of refund, if any, would be done through various modes in the following order of preference:

1. ECS - Payment of refund would be done through ECS for Investors having an account at any centre where such facility has been made available. This mode of payment of refunds would be subject to availability of complete bank account details including the MICR code as appearing on a cheque leaf, from the Depositories. The payment of refunds is mandatory for Investors having a bank account at the centers where ECS facility has been made available by the RBI (subject to availability of all information for crediting the refund through ECS), except where the Investor, being eligible, opts to receive refund through NEFT, direct credit or RTGS.
2. NEFT (National Electronic Fund Transfer) – Payment of refund shall be undertaken through NEFT wherever the Investors' bank has been assigned the Indian Financial System Code (IFSC), which can be linked to a Magnetic Ink Character Recognition (MICR), if any, available to that particular bank branch. IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Investors have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of refund will be made to the Investors through this method. Our Company in consultation with the Lead Managers may decide to use NEFT as a mode of making refunds. The process flow in respect of refunds by way of NEFT is at an evolving stage and hence use of NEFT is subject to operational\ feasibility, cost and process efficiency. In the event that NEFT is not operationally feasible, the payment of refunds would be made through any one of the other modes as discussed herein.
3. Direct Credit - Applicants having bank accounts with the Refund Banker(s), in this case being, Punjab National Bank / IDBI Bank Limited shall be eligible to receive refunds through direct credit. Charges, if any, levied by the Refund Bank(s) for the same would be borne by the Company.
4. RTGS - Investors desirous of taking direct credit of refund through RTGS, will have to provide the IFSC code in the CAF. In the event the same is not provided, refund shall be made through ECS. Charges, if any, levied by

the Refund Bank(s) for the same would be borne by our Company. Charges, if any, levied by the applicant's bank receiving the credit would be borne by the applicant.

5. For all other applicants, including those who have not updated their bank particulars with the MICR code, the refund orders will be dispatched through speed post/ registered post or through such other mode that may be permitted. Such refunds will be made by cheques, pay orders or demand drafts drawn on the **Punjab National Bank/IDBI Bank Limited** and payable at par.

#### **Printing of Bank Particulars on Refund Orders**

As a matter of precaution against possible fraudulent encashment of refund orders due to loss or misplacement, the particulars of the applicant's bank account are mandatorily required to be given for printing on the refund orders. Bank account particulars will be printed on the refund orders, which can then be deposited only in the account specified. In case the share held in demat mode, such bank account particulars will be obtained from the Depository. The Company will in no way be responsible if any loss occurs through these instruments falling into improper hands either through forgery or fraud.

#### **Interest in case of delay on allotment / dispatch**
